

CHRISTMAS ADOPT-A-FAMILY 2020 GUIDELINES

General Information

Each of the families listed on SignUpGenius has been vetted by one of the following organizations: *Equitas Health, Delaware Jobs and Family Services, United Way, or by one of our Liberty pastors.* A family can be adopted for Christmas through the SignUpGenius link on the Liberty website until all the families have been adopted.

Please bring the Adopt-a-Family gifts placed in heavy-duty, labeled bags to the Barn Lower Level on December 11-12, 2021.

Hours: Saturday from 10:00 a.m. to 2:00p.m. or Sunday from 8:00 a.m. to Noon.

Please remember the gifts listed are a request or wish list. It is not intended that you must get everything on the list. It is up to you to determine what you would like to give. Gently used gifts as well as new, can be given. The larger families have been divided into two or more parts, A, B, C or more, which can be adopted separately. The contact person can connect the adopters of A, B, C for communication purposes.

You may want to share adopting a family with friends, or if you would like to be a part of a group that adopts a family, or donate a new or used item in good condition, such as a child's or adult's bicycle, microwave, vacuum cleaner, a set of dishes, pots and pans or a laptop for school or home, please call the contact person. *All the families to be adopted could use items that cannot be purchased with food stamps. This includes soaps (both bath and dish), detergents, shampoos, toothbrushes and toothpaste, toiletries, paper products, personal care items, etc.*

- ***Please label all gifts with the family's number and the given identifying information.***
- Gifts for families that are requested to be "unwrapped" are designated as such to enable the referring agency to ensure that we do not accidentally provide something unwelcome to the family.

 - Please leave easy access to one of the gift bags for a volunteer to add a Christmas greeting from Liberty to each family's gifts on Sunday morning, **December 12.**
