INSTALLATION PROCEDURE

1. Check kit for all of the required graphics.
2. Prepare the surface by wiping with a clean cloth and water / isopropyl alcohol mixture.
3. Install (1) Hood Star graphic. Align to center of hood, approximately 10” from rear edge of hood.
4. Install (2) Tire Pressure graphics, one to each front fender lip.
5. Install (2) U.S.A. graphics, one on each side. Center on stock badging, approximately 2” above upper rocker lip.
6. Install (2) Tire Pressure graphics, one to each rear fender lip.

7. Install (2) Mahindra Offroad graphics, one on each side. Center between external tie downs, approximately 1” below belt rail.

8. Install (1) ROXOR graphic to the rear tailgate. Center vertically and horizontally inside the stamped feature.
