QUICK START — YOUR FIRST 3 STEPS

- 1 Log in to manypartsministries.com** and go to your Resource Dashboard. Open the **Program Guide** course — it walks you through everything from initial setup to your first event.
- 2 Log in to dash.manypartsministries.com** to access your ARD. Visit the **Coupons page** to find your program codes, then set up your organization's access codes.
- 3 Complete your training.** Your learning materials include presenter training, volunteer accompaniment training, and implementation guides — everything you need to lead with confidence.

KEY REMINDERS

Two separate logins. Your manypartsministries.com login and your ARD login at dash.manypartsministries.com are different accounts with different credentials.

ARD is web-only. The Assessment Results Dashboard must be accessed in a web browser. It is not available through the Many Parts mobile app.

When in doubt, check the Program Guide. It's a Course in your Resource Dashboard and answers the vast majority of administrator questions.
