

**WEDNESDAY, NOV. 8<sup>TH</sup> 6:00PM**

Mark Booth of Take Flight! Wildlife Education will bring a host of live birds of prey for an educational, interactive, and up close look at these magnificent birds. A falconer & long-time educator, Mark has worked with birds of prey for more than 30 years, so brings with him an incredible depth of knowledge. Through the use of live birds of prey and theatrical techniques, Take Flight! brings the importance of understanding the natural world to life. Meet these spectacular predators and hear the stories of our shared history.
