Additional Appropriation 17-2026- Fire Department-1st reading
An additional appropriation appropriating $150,000 for Marion Fire Department. Speaking Fire Chief Curtis Garr

Executive summary: This year there has been a significant increase in long-term sick leave for the Marion Fire Department. As a result, the overtime funds have been depleted. We formally request an additional appropriation of funds for the Marion Fire Department to help support our team's necessary overtime expenses.

Declaratory Resolution- Re-establishing Fox Run Subdivision
A resolution re-establishing the Fox Run Subdivision. Speaking Joe Murphy, Economic Development Director

Executive summary: This declaratory resolution would re-establish the Fox Run Subdivision as both an Economic Revitalization Area (ERA) and Economic Development Target Area (EDTA), renewing a residential tax-abatement program originally created by the City of Marion Common Council in 2006 and later amended in 2015 to encourage additional home construction within the subdivision.
