City of Marion- Public Hearing

Janet Pearson: Good morning.

Board in unison: Good morning.

Janet Pearson: The properties that you have on agenda this morning are city owned vacant lots and the first one is 1109 South Adams Street and it is \$800. And 2310 South Florence is \$800. 1800 Block of South Gallatin \$800 and 2425 S. Gallatin is \$800. So we are just asking for approval to get the sold and back on the tax rolls.

Alex Huskey: Are there any questions for Janet? I would entertain a motion to approve the sale of these properties.

Motion to approve the sale of these four properties- Brian Flynn; seconded Cindy Cunningham.

Motion carried.

Janet Pearson: Thank you so much.

Cindy Cunningham: Thanks Janet.

Alex Huskey: And Janet, Janet before you take off just one quick question. Do we have any properties that are city owned that actually have houses on them that could be rehabbed?

Janet Pearson: We actually sold most of our houses. I think Jerry's got some that are maybe on the demo list that we own but I think he has determined that we really can't rehab them.

Alex Huskey: Okay.

Janet Pearson: A lot of folks would want to purchase them and rehab them but I think he has determined they are in pretty bad shape so can't really rehab them. So, we don't really have any. Wouldn't you say Jerry that we have got any that would be...?

Jerry Foustnight: The ones that I believe we have are to the point where the foundations are bad and things like that.

Alex Huskey: I was just asked that by a citizen and I promised that I would ask the question today.

Janet Pearson: Well, thank you for asking because you never know.

Alex Huskey: So, thank you. The next item on the agenda is public comment.
