Marion Police Department- Merit Awards

Chief Haley presented Officer Joe Biddle, Sergeant Ridgeway and his K9 partner Kurt and Dave Bennett with a meritorious award for pursuing and assisting in the apprehension of Zachary Case who broke into a residence on July 21, 2022 in the 1100 block of East 32nd Street. A meritorious award was given to Office Mcpike for his life saving assistance for a child that was having trouble in the water.

No action taken.

Chief Haley: Thank you for allowing us to come here today to present these awards. All of these men have been honored not just in this manner but in the employee spotlight. The original four last month and then Officer McPike is our employee spotlight this month. Quite honestly the work that these men do on a daily basis is amazing. This community is lucky to have the police officers that they do working in this community. This is one of the best departments hands down and it is because of the people and the officers that work at our department and again I thank you for allowing us the time to show them some public gratitude. Thank you.

Cindy Cunningham: Thank you.

Alex Huskey: Thank you Chief. I believe that it's appropriate that we just simply give a round of applause for doing a job that many of us really would not do so let's give them round of applause. Alright, it is wonderful that most of our agenda today is taken up by such wondrous acts. So thank you.
