

MARION PARKS AND RECREATION  
BOARD MEETING  
June 2, 2025

Members Present: Kyle Beal, Kellie Street and Jim Gartland.  
Others Present: Rose Cadena, Andy Davis and Kiera Reynolds.

Meeting called to order at 12:00 pm by Kyle Beal.

**Motion to approve minutes from April 7, 2025 meeting was made by Jim Gartland; second by Kellie Street. Motion carried.**

**New Business:**

**5 Year Park Master Plan Completed**

Rose Cadena stated that the 5 Year Park Master Plan has been completed and officially accepted by DNR.

**Splash House Update**

Andy Davis stated that The Splash House experienced a slow start to the season due to bad weather, resulting in being closed for the first five days of the season. He also stated the Bowl Slide is needing repairs due to cracks at the rim of the bowl, with an estimated repair cost of approximately \$79,000 and a full replacement estimated at around \$320,000. The Racer Slides had previously had a major underground leak early in the season, which has since been repaired, and Davis is waiting on the invoice from the service provider. Additionally, chlorine levels have been difficult to regulate this season; however, Buddenbaum & Moore has donated a replacement part to help. Davis further stated that the Cardinal Greenway hill area has been cleaned for safety purposes, the wave pool has been repainted, the facility is fully staffed for the season, and all concrete work has been completed.

**Other Business**

**Motion to adjourn made by Kyle Beal; second by Jim Gartland. Motion carried.**

---

**Park Board President**

**Next Meeting is Monday, July 7, 2025 at Noon in the second floor conference room at City Hall.**
