Meeting Called to order by Kellie Street

June 1st minutes will be approved at the next Park Board Meeting on September 8, 2026.

New Business:

Skate Park:

Joe Murphy provided the Park Board with a Public Private Agreement (scoping agreement) for the Skate Park. He stated *he Under the agreement, Garmong BOT Development II, LLC will assist the City with final design, project pricing, and construction planning for a new City-owned skate park near West 14th Street and South Valley Avenue. The agreement limits the City's pre-construction cost exposure to $45,000 for due diligence and design services, while establishing a maximum project budget of $750,000 unless amended by the Common Council. The purpose of the scoping phase is to complete final plans and develop a Guaranteed Maximum Price for Board and City approval before construction proceeds.*
