In 2025, Mully Children's Family (MCF) witnessed God's faithfulness while continuing its Christian calling to serve "the least of these" with love, integrity, and compassion. Across protection, education, healthcare, social justice, environmental stewardship, WASH, outreach, and economic empowerment, MCF translated faith into action—restoring dignity, nurturing hope, and enabling sustainable transformation for individuals and communities.

As Scripture reminds us, "Let us not love with words or speech but with actions and in truth" (1 John 3:18), a principle guiding every intervention in this report.
