## THE RIVER CLUB

Originally founded as a business club in 1954 to rival similar private clubs in New York, Chicago, and Washington, D.C., The River Club's growth has mirrored that of Jacksonville through the decades ~ steady, tasteful and with a goal of providing a better lifestyle to an expanding population.

Boasting some of the best skyline views, the River Club offers members access to world-class dining in a truly beautiful setting. Rivaling the stunning views are the interior's elegant furnishings of glistening chandeliers, warm woods, and rich fabrics.

The presence of current conference technology, which includes drop-down projection screens and wireless internet capabilities makes this an ideal site for business luncheons or meetings. The River Club, a dining institution for more than fifty years, continues to delight all with its charming and sophisticated ambiance.
