## LOCATION OVERVIEW

Lake Pleasant Towne Center, a Vestar Development, is a ±620,000 square foot retail shopping center on ±65 acres in northern Peoria, Arizona. The center consists of a variety of retail components such as destination power center anchors, junior anchor tenants, shop tenants, a variety of theme style family restaurants and other compatible uses. Vestar is renowned for its innovative shopping center designs, which create an atmosphere that blends into the surrounding community lifestyle providing a unique experience of a regional community center providing shopping, dining, and entertainment for everyone.

The property is strategically located at the northwest corner of Lake Pleasant Parkway and Happy Valley Road. This intersection is the gateway to seventeen master-planned communities that consist of over 62,000 planned units. This includes communities such as Vistancia, White Peak Ranch, Westwing Mountain and Saddleback Heights. The Loop 303 freeway continues north and east of Lake Pleasant Towne Center and connects with Interstate 17. This freeway expansion helps continue the extensive development of new master-planned communities across the northern portion of Peoria.

Based on population estimates, there are over 138,000 people within a five mile radius. Further, there are limited retail shopping opportunities in the Lake Pleasant Towne Center trade area.

The combination of creative design, strong synergy of retail and restaurants, a dominant location in the subject trade area, and Vestar's successful experience in creating unique shopping centers has come together to make this an exceptional retail development.
