Brookhollow is one of the most infill industrial submarkets in the Dallas-Fort Worth metroplex. Approximately 2 miles from Uptown Dallas, 2.5 miles from Downtown Dallas, and 2 miles from Dallas Love Field Airport, Brookhollow is positioned as an ideal last-mile location that enables tenants to easily access the city's most affluent and densely populated areas.

The Brookhollow submarket is situated near I-35, TX-183, TX-114, and Loop 12 which allows easy access to other submarkets across the metroplex. Proximity to major thoroughfares, large residential areas, and other complementary businesses makes Brookhollow an irreplaceable last-mile logistics location in the Dallas-Fort Worth market.
