Description: A 19' wide one story vacant building that is 100' deep. The site is zoned R8A which has a height limit of 120'. The zoning allows for a 100% residential building to be built, or a mixed-use building. The commercial space would can be grand fathered into the new property.

The site's size allows a developer to build numerous apartments with great sunlight and views. The site is on the same block as the River Ridge Condos and 206-210 Delancey Street which is a twelve story luxury condo apartment building.

The property is close to all modes of transportation and fine retail stores on Delancey and Clinton Streets.

ASKING PRICE: \$2,900,000 or \$251 per Buildable Square Feet
