

SUNDANCE SQUARE RETAIL

SUNDANCE
SQUARE®

Sundance Square is a pedestrian and family friendly downtown district packed with national retailers, regional and local restaurants, as well as Fort Worth centric retailers and retail service providers. It is also known as an entertainment hub featuring the world renowned Bass Performance Hall, small theatre venues, and events and concerts at Sundance Square Plaza. Come join us as we reimagine the 29 blocks of Fort Worth's central business district into the premiere retail and office experience in the nation.

With an affluent customer base and flexible spaces, Sundance Square is one of the finest retail environments in the Southwest. It's home to national brands like H&M, LOFT, White House | Black Market, Overland Sheepskin Co., and JoS. A. Bank, as well as unique local stores and boutiques. Plus, we make free parking available for customers both day and night.
