TEMPE TOWN LAKE

THE HEART OF A VIBRANT COMMUNITY

EVENTS AT THE LAKE

Tempe Town Lake hosts more than 100 events a year, ranging from athletic opportunities, like Ironman Arizona and the P.F. Chang's Rock 'N' Roll Marathon, to cultural offerings like Ballet Under the Stars.

LIGHT RAIL BRIDGE

Tempe believes that public transportation is crucial to a community. We are the only city in Arizona offering light rail from border to border and the only one with a light rail bridge.

HAYDEN FERRY LAKESIDE

Hayden Ferry Lakeside provides a nautical mile of mixed use development. A Hyatt Hotel is expected as part of the campus. More than a million square feet of development is located on Tempe Town Lake.

TEMPE CENTER FOR THE ARTS

Catch a play, a symphony performance, a Wednesday open mic night, or simply take a moment to stroll through the lobby of one of Arizona's most architecturally interesting buildings. This \$65 million performing arts center is home to many local performing arts troupes.
