Previous Approved Design

- 2. Rear setback – thirty (30) feet yard (except for fences).
 - 3. Side setbacks – two side setbacks are required of eight (8) feet each (except for fences).
- E. Height Limitations – thirty-five (35) feet.
 - F. Building Envelope – All lots shall have a minimum building envelope of fifty-five (55) feet deep by fifty-four (54) feet wide.
 - G. Lot coverage – Within the building envelope 100% of the land area may be covered with buildings or structures. Outside of the building envelope permitted accessory structures may be constructed in accordance with the supplemental standards pertaining to said use. In total, such accessory structures may not occupy more than fifty (50%) percent of the rear yard area. This provision shall not be construed to permit any accessory structures to be located in the established front yard.
 - H. For single family dwellings the maximum density permitted in the R-10M district shall be one (1) dwelling unit per lot. For multi-family dwellings the maximum density shall be five (5) dwelling units per acre. For mobile home subdivisions or parks the maximum permitted density shall be six (6) units per acre. The maximum permitted density for two-family dwellings shall be two (2) du/lot provided said lot is expanded in accordance with Section 28 – 1007.1.A.(9).

SECTION 28 – 405 CR - CENTRAL BUSINESS COMMERCIAL DISTRICT

28 – 405.1 PURPOSE

The purpose of this district is to provide appropriate locations for select commercial activities within the Town of Easton's Central Business District. Provision is made for the accommodation of a wide range of business pursuits, retail sales and office and service activities which serve the needs of citizens of the region. The district is designed to preserve, and to encourage the continued development of the Central Business Area consistent with the unique land use mix which currently exists.

Uses which may be potentially detrimental to a neighborhood for such reasons as odor, smoke, dust, fumes, fire, vibration, noise or hazardous conditions because of fire or explosion shall not be permitted.

PROFESSIONAL BACKGROUND

Robert H. Greenlee serves as Managing Director and Senior Advisor for the Easton-based Chesapeake office of SVN | Miller Commercial Real Estate. For over 30 years, Greenlee has been a recognized leader in the regional investment marketplace. He is an important strategic partner to his clients, helping them maximize value and wealth. In all transactional and analytical aspects pertaining to investment real estate, he drives transformative, sustainable economical results.

Greenlee specializes in mid-market brokerage, third party asset management, and analytics. He has extensive experience providing a broad range of valuation, strategic analysis, and transaction advisory services involving institutional and investment grade assets, as well as owner occupied real estate. He has direct client involvement in all matters related to the acquisition and investment management functions in corporate, family, and private equity real estate platforms.

His commercial real estate appraisal and economic consulting services are performed on the Delmarva Peninsula and along the entire East Coast, where he has personally completed over a thousand studies, covering \$5B+ dollars of real estate. SVN | Miller CRE clients and fellow advisors benefit from his economic analysis, strategic planning and development of value enhancement strategies.

With an undergraduate degree in Finance from the University of South Carolina and a master's degree in Economics earned at Loyola University of Maryland, Mr. Greenlee has been very involved in the local and regional communities for many years – with a particular focus on economic development and comprehensive planning.

Greenlee is a licensed real estate salesperson in Maryland and a Certified General Appraiser in the States of Maryland and Delaware. He is also a Practicing Affiliate member of the Appraisal Institute.
