service

Hamilton EQ's ownership approach is focused on excellence. Their on-site Property Management Team delivers a high-touch, engaged tenant experience.

experience

With new ownership comes new improvements. Hamilton EQ plans meaningful capital investments, including signage, lobby and common area improvements, redesigned fitness center, lounge and food amenity, and tenant meeting / conference facility.

flexibility

The portfolio offers space ranging from 1,000 SF to an entire building. You can get the size you need and grow within the park, and our flexible floorplates allow for efficient space planning.

value

Investing wisely in the right office space is key to your company's success. Yorkmont Plaza offers quality space with meaningful amenities at rates that won't break the bank.
