RE: 33W300 Route 38, Geneva, IL

Dear Ms. Peterson:

In February 2020, the City of Geneva Development Staff reviewed the Conceptual Site Plan-Total Buildout of East Side Commercial Development as prepared by Rempe-Sharpe dated February 14, 2020 for the above referenced property as attached. The two points of access proposed and depicted along Route 38 was deemed acceptable pending final design review by the Illinois Department of Transportation. These access points are acceptable with or without the Dearborn Court extension.

As previously discussed, the proposed development will require a Map Amendment to rezone the property to I1 Light Industrial from B4 Business. The plan will require Site Plan approval of the proposed layout.

We trust this information will assist with marketing the property. The City is committed to working with you and an end user to achieve the highest and best use of the property. Please advise if we can assist further.

Sincerely,

A handwritten signature in black ink that reads "Cathleen Tymoszenko". The signature is written in a cursive style.
