Roswell is a city in New Mexico. It is the county seat of Chaves County in the southeastern quarter of the state of New Mexico, United States. It is the fifth-largest city in New Mexico. Its centralized location, some 200 miles in any direction from any larger city, makes it a business hub for southeastern New Mexico.

It is a center for irrigated farming, dairying, ranching, manufacturing, distribution, and petroleum production. It is the home of New Mexico Military Institute (NMMI) and Eastern New Mexico College. Bitter Lake National Wildlife Refuge is located a few miles northeast of the city on the Pecos River. Bottomless Lakes State Park is located 12 miles east of Roswell on US 380.

Roswell is most popularly known for having its name attached to what is now called the 1947 Roswell UFO incident, though the crash site of the alleged UFO was some 75 miles from Roswell and closer to Corona. The investigation and debris recovery was handled by the local Roswell Army Air Field.
