Property Overview

1617 N. Waterfront Parkway is a Class A office property, completed in 2016, with a prominent address in Wichita's unrivaled Waterfront development. Available first generation suites feature balconies overlooking a 25-acre lake and meticulously manicured grounds. The Hinkle Law Building is located in a master-planned development in Wichita's highest profile location, including 44 retailers, Hilton Homewood Suites and an exclusive residential community just steps away. Adjacent to affluent Northeast Wichita neighborhoods and private schools, allowing tenants to tap into the educated workforce while affording excellent access to all of the Wichita metro via K-96, I-135 and Kellogg US 54/400. Waterfront is home to Wichita's top professional services firms, financial institutions and industry leaders.
