EVERYONE**

**WE NEED
MEDICARE
FOR ALL**

AZU

Medicare for All is a program to make healthcare a right, not a privilege. We believe everyone should have access to quality health care, regardless of their income or job.

A SINGLE HEALTH PROGRAM

Everyone will be covered by one health insurance program, administered by the federal government, with equal access to all medical services & treatments.

COMPREHENSIVE COVERAGE

All services requiring a medical professional will be fully covered. You go to the doctor of your choice. Dental, vision, mental health, and pharmaceuticals are included.

FREE AT THE POINT OF SERVICE

All healthcare costs will be financed through tax contributions based on ability to pay: no copays, no fees, no deductibles and no premiums. Ever.

UNIVERSAL COVERAGE

Coverage for all United States residents — non-citizens included.

JOBS

A jobs initiative and severance for those affected by the transition to government-run healthcare.
