Subject: Build America Act (BAA) and Build America, Buy America Act (BABAA)

To Whom It May Concern,

Based on our current information and belief, the products listed below are manufactured in the U.S. and the cost of the components of the manufactured product that are mined, produced, or manufactured in the U.S. is greater than 55% of the total cost of all components of the manufactured products. Therefore, we assert these products compliance with BAA and BABAA requirements.

Final product manufacturing processes take place in Wichita, Kansas.
