Your Dominant Interest Areas

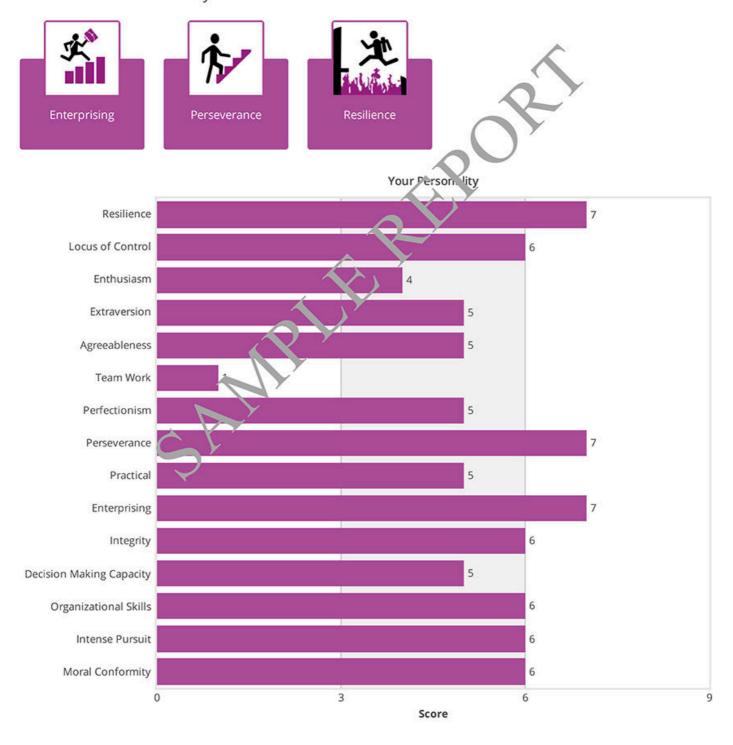

Your Personality

What is Personality?

Understanding your Personality will help you identify your consistent behavior patterns. Every individual is different due to their unique blend of attributes. Personality assessment identifies what career options suit your style and match your personal attributes.

Your Dominant Personality Traits

1 2 3 4 5 6 7 8 9

Meaning

Resilience is the ability to pursue chosen path despite stress, high- risk status, challenges and hardships

Expert Analysis

You show courage, high level of adaptability, and enhanced power of endurance under challenging circumstances. You stick to your chosen path, even though it may involve some amount of risk. You are confident to face and overcome all kinds of challenges and hardships and have the ability to bounce back. This quality further strengthens your relationship with others and makes your life enriching as well as meaningful

Development Plan

You have scored well in this trait

Locus of Control

1 2 3 4 5 6 7 8 9

Meaning

Locus of Control is the individual's perception of the power they have over events that happen in their lives. People with this trait believe that they have control over their own destiny and are convinced about their own shills

Expert Analysis

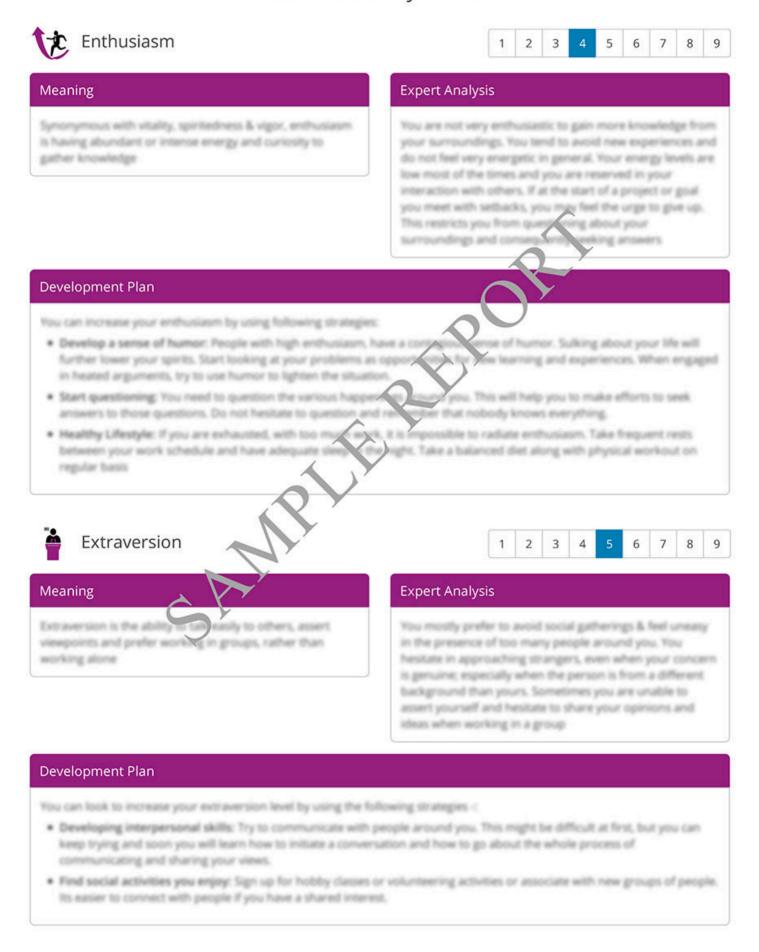

Your faith in your skills & abilities makes you feel that your future is in your own hands and your own choices lead to success or failure. You are highly motivated and successoriented. An internal locus of control has been shown to develop along with self-regulatory abilities; hence, you have high self-efficacy

Development Plan

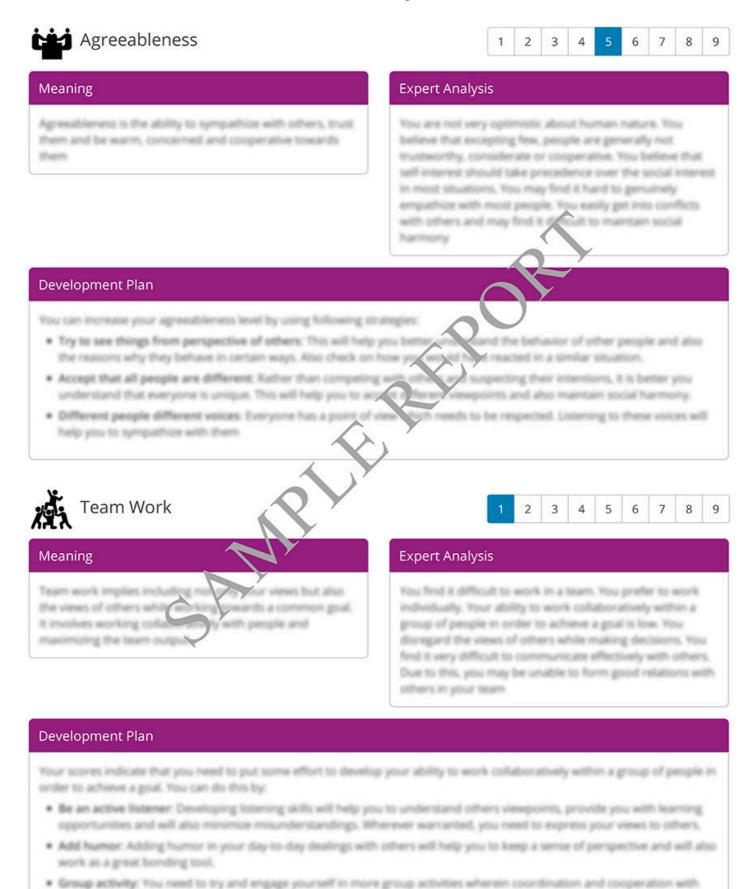

You can improve your internal locus of control through following strategies -:

- Be assertive: You have to start speaking up your mind and take responsibility for your acts as blaming others would not
 work in life.
- Develop trust: After understanding your strengths, you have to start trusting yourself. Believe in whatever you do or perform. Strong level of trust in oneself makes a person confident and composed.
- Stop being judgmental: Stop judging all your actions and go easy on yourself. Demanding too much sometimes leads to drainage of strength and hence failures.
- Be relaxed and rejuvenate yourself: Sometimes too much of stress to excel leads to panic and then everything you work
 on gets spoiled. Take timeouts to start regaining confidence in yourself.

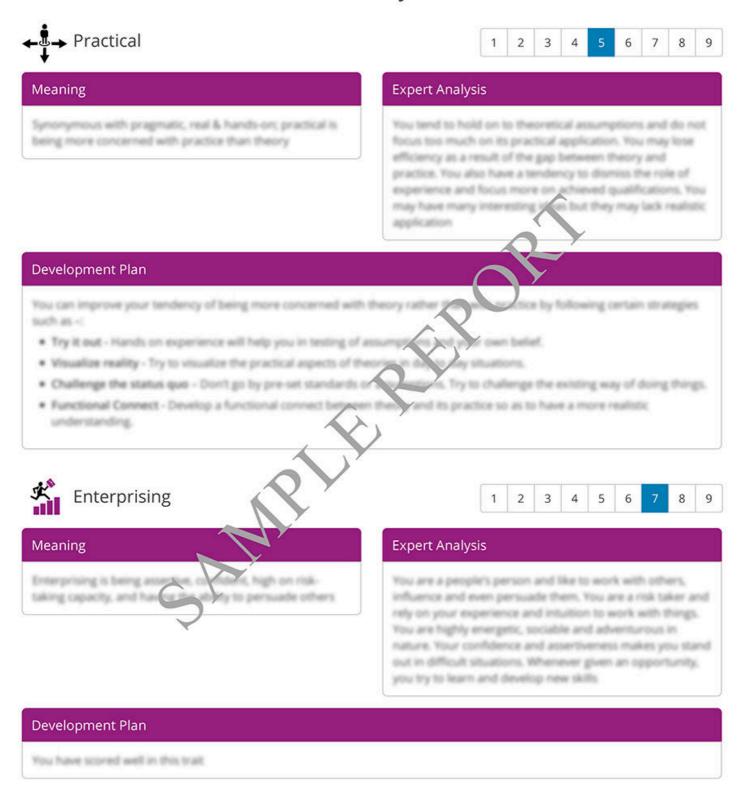

members of the team will help achieve the common objective

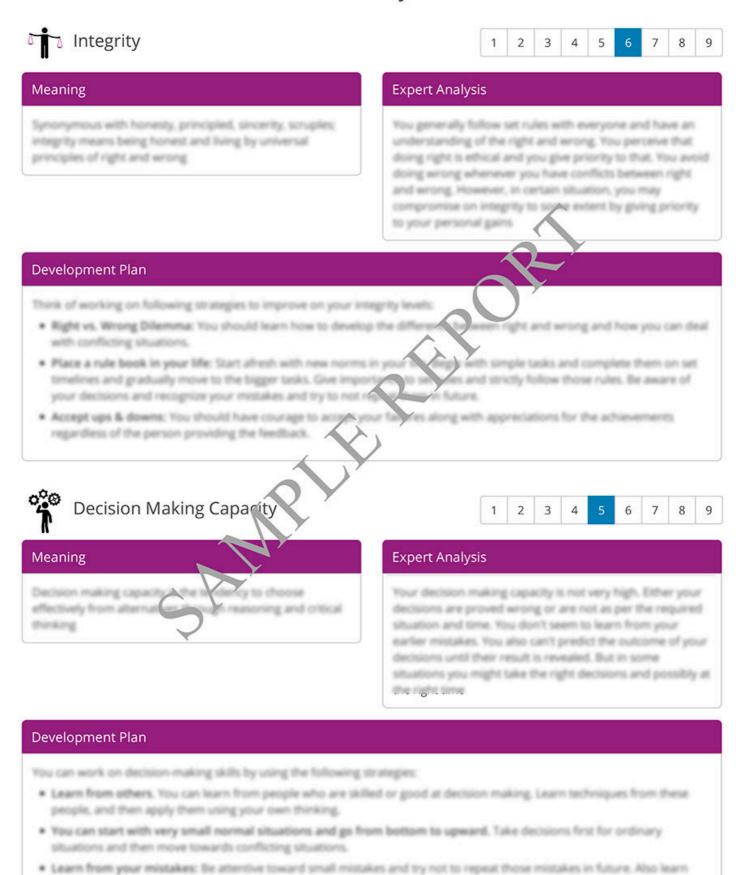

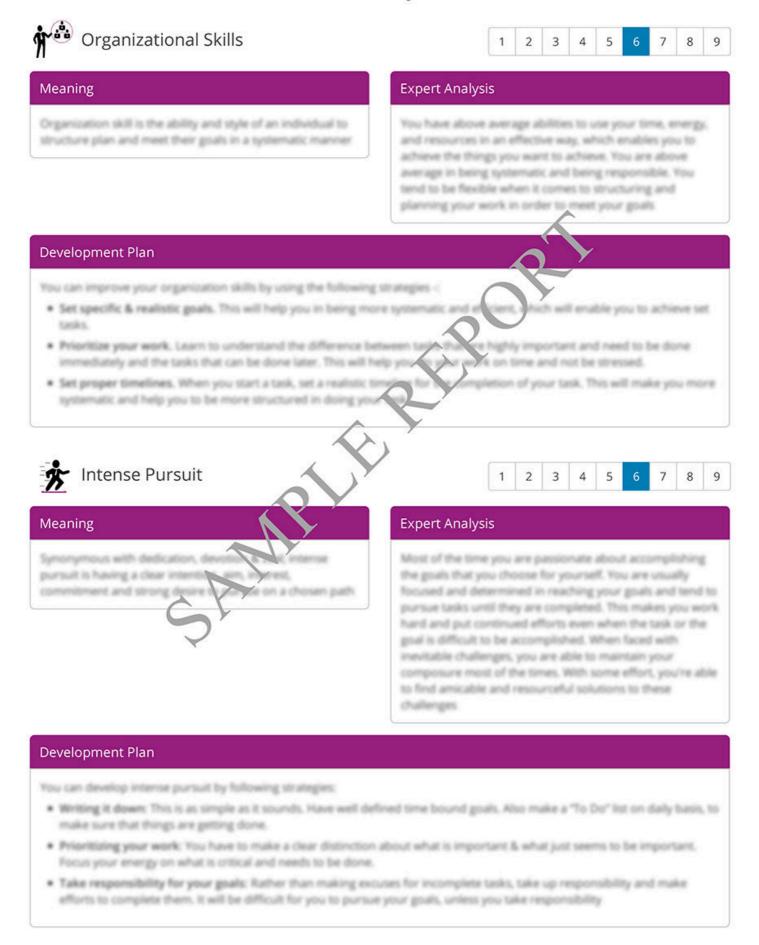

from the mistakes of others and apply them in your life.

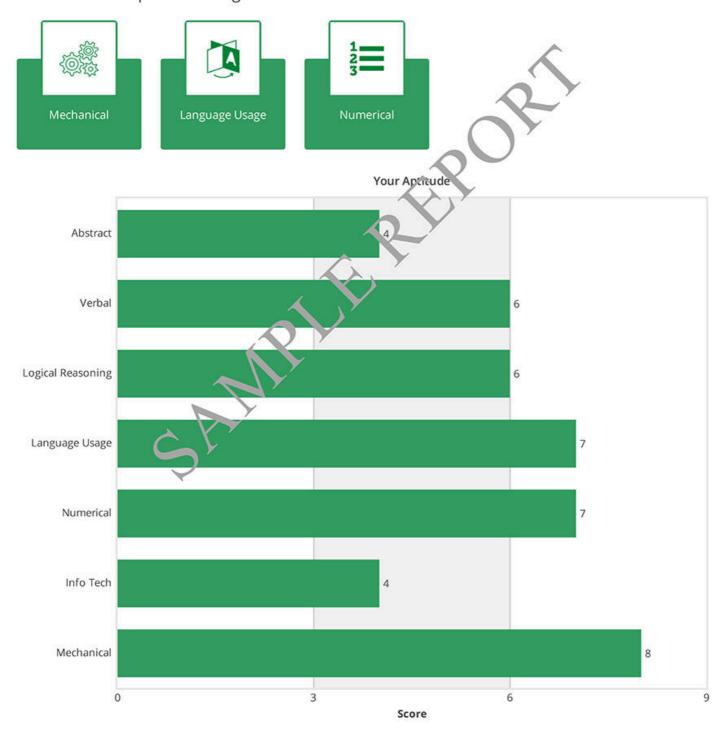

Your Aptitude

What is Aptitude?

Understanding your Aptitude will help you explore your innate strengths. Every individual has a unique area of expertise and their own forte. Aptitude assessment predicts what is your innate ability and potential and helps you find career options that are in sync with your aptitude.

Your Dominant Aptitude Strengths

Meaning

Ability to work with new concepts, abstract ideas & recognizing patterns and similarities

Expert Analysis

You scores reflect that you are moderately skilled at working with new concepts, abstract ideas and recognizing patterns and similarities between them. Your scores also indicate that you are able to recognize the similarities and differences between ideas, or concepts which are not necessarily related at an average level. You are able to work out new concepts and deal with abstract ideas in most cases

Development Plan

Abstract aptitude can be developed by adopting following strategies:

- Abstract ideas and concepts: Give yourself a regular exposure to abstract ice as and concepts. Repeatedly examining
 information presented in abstract forms in books and newspapers vill help you to develop a capacity for handling abstract
 information and looking for patterns. Try and solve puzzles, games and other forms of analytical material to enhance
 abstract way of thinking.
- Patterns and relationships: Purposefully seek patterns and relationships in things around you for enhancing abstract
 aptitude and outlook. You should also practice creating diagrams which represent relationships, connections and sequences

Verbal

1	2	3	4	5	6	7	8	9
				200.70				

Meaning

Ability to comprehend words and sem, inces and deduce meaningful relationship from their

Expert Analysis

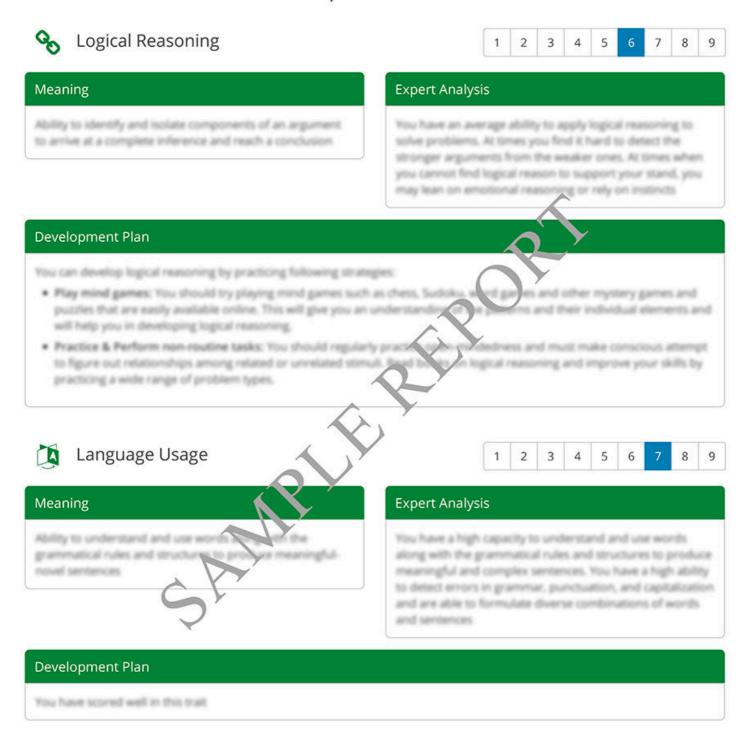

You have an average ability to understand the relationship between words and have a limited ability to convey the required information. You possess an average level of verbal skills like spell words correctly, use correct grammar, understand word meanings, and interpret word relationships. You are often, though not always, able to correctly analyze and understand textual information

Development Plan

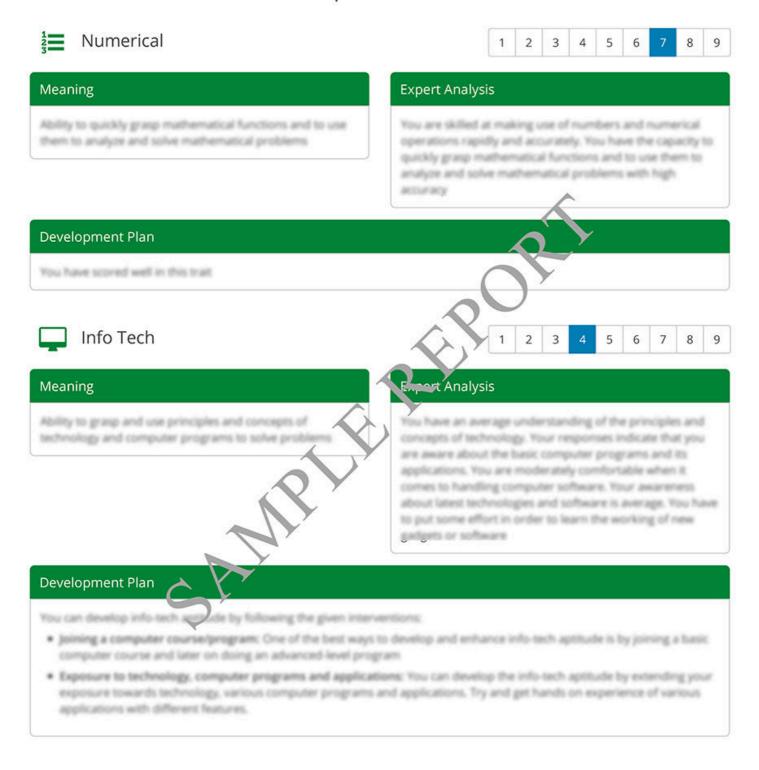

You can use the following strategies to improve your verbal skills:

- Reading: You can start reading and analyzing texts, articles and newspaper columns. Challenge yourself with more and
 more complex material and continue even though you seem to be making little progress because over time, it will show
 results.
- Drawing conclusions and inferences: Try to deduce relationships among various components of the reading material. Try to look for relationships and patterns, drawing conclusions and making inferences.
- Memorizing word-meanings: Consciously memorizing word-meanings regularly will also help in broadening your vocabulary base.
