Watch It Shine: All About The Mystiqueros

10 years, 4 records, 1,500+ gigs, A hundred thousand miles. 14 states, 2 continents, 9 full-time members past & present, and many, many on-stage guests. Honky-tonks, dives, parking lots, dance halls, festivals, theaters. Too many great nights to remember. Oceans of laughter. A lot of beers. Good beers, because we care about that. We've been a home for wayward souls, and a circus. A house band, a backing band. Openers, Headliners. A touring band playing original music that fears no one, ever. We're a band that can musically reference Sly Stone & Ray Price in one song. We can play the fire out of all sorts of stuff, as long as we don't have to do it the same way twice. We can play four hours, straight - you know that. We're a band that can play your wedding ceremony, as sweet as you please, and then shake the walls of the bar down the street an hour later. We're the Mystiqueros.
