

Not Ashamed
Our response to “faith pressure”
Pastor Brian

Do we all agree that Christ is under attack and the assumption of being “One nation under a single God” is fleeting?

Here is the big question – how do we respond?

The faith of Paul – Romans 1:16

The faith of Peter – Matthew 26; Mark 14; Luke 22; John 18

Jesus forgives – John 21

For Discussion

- What situations do you find yourself in that pressure your faith?
- How have you responded like Paul, or like Peter?
- What do you think your response should be as an individual person; our response as an individual church; our universal response as the church of Jesus Christ?
