

# Thankful in Every Season

Pastor Brian

**Primary point: The Christian can, and should, be thankful in any season, or hour, of our journey!**

**1. Defeated, coping, free, and fruitful Christians may not stay in a single season for more than a day.**

**Why? Because mind renewal can happen quickly!** (Romans 12:2)

**2. The Psalms – Thanksgiving in every circumstance** (Psalm 118, Psalm 22, Psalm 77)

**3. Ezra – A prophet to God’s down (but not out) people** (Ezra 3)

**4. A thankful Christian is never truly defeated** (1 Thess 5:18)

**5. Application – How do I give thanks?**

- A family memory from your “growing up” years
- A memory from your current family
- A memory of a special vacation, trip, or event
- A special spiritual experience
- A characteristic or trait that God uniquely gave to you
- A past trial or difficult season you now see differently
