

## ***I Will Build My Church***

#3: “The Plan for Building Our Church”

September 26, 2010

Pastor Kurt

---

Whenever God wanted His people to build something, He always gave them a plan. (Exod 25:9)

We have a picture of New Life’s mission, purposes, goals, and ministries.

Our tour this morning will focus on Youth. (Ps 78:3-8)

If our born again children experience authentic Christianity, they will want nothing less. This is the primary purpose of our Youth ministries, and an important goal of our L.I.F.E. Groups.

Our ministries and strategy must start with youth because they are the highest concentration of people who will be saved.

### **L.I.F.E. Group ?’s**

- What did God say to you in Sunday’s message?
- What would I like to do in order to better raise my own authentic Christian children or help the youth ministries at New Life?
- How do we keep from feeling guilty about all this parenting and/or “church” stuff?
