

Life is Hard But God is Good  
#6: The Promise of Provision  
Matthew 6:24-33

God promises good to us by providing for us if we will love Him more than money.

God wants to intervene in your finances  
Malachi 3:10-11; 2 Cor 9:6-11

God's promise of provision is annulled if we do not give the 10% that belongs to Him

Two reasons for not giving:

- You do not know God's command  
(Mal 3:10; Matt 23:23; Acts 2:44-45)

- You do not understand how much God loves you
