

Lessons from Corinthians:

Serving with Love
1 Corinthians 13:4-7
Pastor Brian

“Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It is not rude, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres.”

What kind of love relationship is being described by these verses?

Note how Biblical love is impossible without the Holy Spirit (also Galatians 5:22-25)

What love is...

What love is not...

Love always...

Serving with love often fills the gaps between talents, spiritual gifts, and practical needs.
