

David
#3: Prevent Defense
Pastor Brian

2 Samuel 11:1 “Then it happened in the spring, at the time when kings go out to battle [that] David stayed in Jerusalem.”

1. How do we consciously recognize the potential for sin?
(2 Samuel 11:1-4)

2. Why do we not respond to the potential for sin as we should? (1 Peter 5:8; Romans 7:14-25)

3. How should we treat the potential for sin?
(Ephesians 6:10-18)

Discussion Questions:

1. What are examples of sin that have crept up on you?
2. What aspects of your sinful nature have died, and what aspects are still alive?
3. What parts of your spiritual armor have been neglected? Will you make a commitment to change?
