

God's Chosen Women

1 Timothy 2:9-14

Primary Point: God's chosen women are called to a lifestyle that will never again be acceptable in the eyes of the world.

1. God's chosen women are to be known by their good and generous deeds (what emanates from the inside), not what is adorned on the outside. (vs 9-10)
2. God's chosen women honor themselves, God, and their husbands with submissiveness. (vs 11; Colossians 3:18; Ephesians 5:22)
3. God's chosen women are called to follow their men, not lead them. (vs 12-13; Ephesians 5:23)
4. God's chosen women are, in some ways, "weaker" than men. (vs 14; 1 Peter 3:7)

For discussion...

- Gals (especially the married ones), what is your response to the call to live counter-culturally and willingly be led by men?
- How do we support and encourage this attitude with one another in a healthy way?
- Men, what is your responsibility in all of this (HINT: YOU HAVE ONE)?
