### ***Application questions:***

1. *When am I speaking too quickly with my kids, and not gathering more info especially about their emotions?*  

---

---
2. *How can I address “all parties” better with my kids?*  

---

---
3. *How can we maximize the dinner table better? What can we teach better? How can we glue us all together better?*  

---

---
4. *How can I “date” my kids better? What’s the plan? (include “How do you feel?” and “What scares you in life right now?” and of course all kinds of affirmation, and affection!)*  

---

---
5. *How should we tackle the “Birds and the Bees”? What’s our plan? “Failing to plan is planning to fail”.*
