

The Spirit

2 Timothy 1:5-7

Primary Point: Don't let the fire die

1. Sincere faith

2. Kindle afresh

3. The Spirit of power, love, and a sound mind

For discussion and action

1. What was meaningful to you about today's teaching?
2. How do you "kindle afresh" the gift of faith?
3. Note the "balance" of the Holy Spirit. How do you recognize it in yourself and others?
4. How do you want to think differently, or what do you want to do differently, after hearing today's message?
