

Do You Really Want the Same Measure Applied to You?

Pastor Ben Hunt – December 18, 2022

Primary Point: *Stop arrogantly calling fire down on the unknown heart of others, instead fill yours with humble love.*

Primary text: *Philippians 2:1-4; Ephesians 5:28-29*

1. ***When we see “other”, it is so easy to unfairly assume sin.***
2. ***We can be a little dense when Jesus corrects our fiery indignation.***
3. ***We see how destructive our indignation is when we finally understand Gods love.***

Application questions:

1. What was most meaningful about today’s message and why?
2. Who do you experience the most fiery indignation towards? Be careful in discussing!
3. What motive or sin are you putting on them?
4. Where has God already taught you on this?
5. How are you going to emulate more love for those that are “other”?
