

2019 Hackensack River Pontoon Boat Cruise Registration Form

Enjoy a guided pontoon boat cruise along the Hackensack River and its marshes. An experienced tour guide will talk about the history of the river and its tributaries, including its natural and man-made features, and look for birds and other wildlife that inhabit the marshes. The free, leisurely cruises are a great way to see nature up-close and gain a new appreciation of the natural beauty of the Meadowlands and its unique urban eco-system.

Boat cruises last approximately 2 hours and leave from River Barge Park in Carlstadt. Pre-registration is required. Pontoon boats hold up to 12 people. Group trips are also available. Trips are for ages 10 and up.

Due to overwhelming demand, reservations cannot be held until we receive your registration form. A confirmation letter and directions to River Barge Park will be mailed to you once we receive your registration.

For more information, to check availability, or to arrange group tours, contact Cathy Vonk at cvonk@njsea.com or call 201.460.4677.

Inclement Weather: *In the event of bad weather, cancelled cruises can be rescheduled. We will contact you regarding cancellations and make-up dates.*
