Site Plan Requirements

From N.J.A.C. 19:4 -- Meadowlands District Zoning Regulations

1. A survey of the tract to be developed, with bearings and distances of all property lines and block and lot designations;
2. Ownership and zone of subject property;
3. Existing features of property:
 - a. Physical features, topography, watercourse(s) location and drainage.
 - b. Structures with dimensions, height, setbacks, location of exit doors and loading docks.
 - c. Streets, ROW's, easements, utility lines, sidewalks, alleys and curbs.
 - d. Land use areas not covered above, including abutting land uses and zoning designations.
 - e. All natural features including plant material over 4" caliper;
4. Proposed:
 - a. Location and building area of all structures, with dimensions, height, setbacks, finished floor elevation (NGVD), location of exit doors and loading docks.
 - b. Traffic circulation patterns (auto, truck, pedestrian), driveways, areas to be devoted to parking, ingress and egress including access streets where required, curbs and sidewalks.
 - c. Topography.
 - d. Drainage plans and drainage calculations.
 - e. Open space, buffers and landscaped areas (per Zoning Regulations and Landscape and Open Space Design Guidelines).
 - f. Lot coverage, total gross floor area and floor area ratio (F.A.R.) calculations.
 - g. Design details, including but not limited to, curbing, driveways, safety islands, pavements, sidewalks, drainage and dolly pads for loading areas.
 - h. Total architectural lighting plan, including entranceways, exits, pedestrian and parking areas, footcandle trace, pole type and height.
 - i. Utilities location and location and screening of utilitarian structures.
 - j. Building elevations (list the façade materials).
 - k. Architectural renderings of all structures.
 - l. Barrier-free design for the handicapped.
 - m. Waste (refuse) disposal location and screening;
5. Uses of all existing and proposed structures;
6. Areas claimed by the State of New Jersey as Riparian;
7. Wetlands delineation;
8. Location of existing and proposed signs, height, setback dimensions and illumination;
9. Copy of the SCS Certification letter;
10. Compliance with Environmental Performance Standards;
11. Other agency approvals obtained to date including, but not limited to:
 - a. US Army Corps of Engineers
 - b. New Jersey Department of Environmental Protection (Stream Encroachment, Waterfront Development, Air Pollution, NJPDES, ECRA, etc.)
 - c. New Jersey Department of Transportation
 - d. Bergen or Hudson County (if located on a County road)
 - e. Soil Conservation Service
 - f. Federal Aviation Administration (FAA)
 - g. New Jersey Economic Development Authority;
12. Three (3) copies of all plans, signed and sealed by a New Jersey licensed professional engineer, licensed professional planner or registered architect, must be obtained;
13. Landscape plans and plant schedules showing existing and proposed landscaping of the site and all areas to be devoted to open space. All such plans are to be sealed by a New Jersey licensed landscape architect or other qualified professional if landscaped open space area is greater than 20,000 square feet.
14. The NJSEA may request other information as may be reasonably required.
