

**THREE BOAT SLIP LEASES FOR PUBLIC BID**

The New Jersey Sports and Exposition Authority (formerly the NJ Meadowlands Commission) has three boat slips available for lease at:

**RIVER BARGE PARK  
260 Outwater Lane  
Carlstadt, New Jersey**

The slips are located on the Hackensack River. Maximum boat length is 28 feet, including all appurtenances.

There is a minimum bid required for each of two categories of slips. The categories are based on maximum expected water depths at high tide and proximity to hose bibs. **The slips do not have electrical service.**

Leases will be awarded to the highest bidders for each category. A security deposit is required for each bid: details are included in the bid documents.

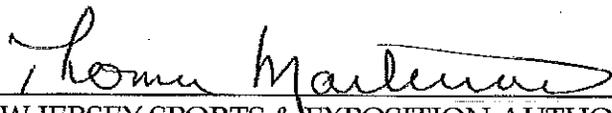

The bid documents will be available on the NJMC website ([njmeadowlands.gov](http://njmeadowlands.gov)) for downloading beginning March 20th. Look for Public Bids and Documents on the NJMC home page. You may also request that documents be mailed or emailed to you beginning on March 20th.

Further details about the hours, rules, and operations of the park and marina are included in the bid documents.

Sealed bids will be opened at 6 pm on Wednesday April 8, 2015 at Richard DeKorte Park in Lyndhurst.
