

STATE OF NEW JERSEY

NEW JERSEY SPORTS AND EXPOSITION AUTHORITY

ADVERTISEMENT FOR REQUEST FOR PROPOSALS

Notice is hereby given that sealed Proposals will be received by the New Jersey Sports and Exposition Authority (NJSEA), 50 State Route 120, Engineering Department, East Rutherford, NJ 07073 for the following:

REPLACEMENT OF 5 kV AUTOMATIC SWITCHGEAR STORMWATER PUMP STATION
MEADOWLANDS SPORTS COMPLEX

Proposals must be submitted in the Proposal Form contained in the Section VI of the package and must be enclosed in a sealed enveloped plainly marked on the outside with the name of the project and the name of the Respondent. A Pre-Proposal Conference will be held on **January 24, 2019 at 10:00 A.M.** at the NJSEA Engineering Office in East Rutherford, located on the second floor of the Inventory Control Building. Proposals will be received at the above address until 2:00 P.M. prevailing time on **February 7, 2019** in the Engineering Office. Proposals will **not** be accepted after 2:00 P.M. on that day. The Request for Proposal (RFP) will be available for review on the NJSEA website (<http://www.njsea.com>) under the Public Bids and Notices tab starting on **January 17, 2019**. Respondents must register their contact information with the NJSEA in order to receive notices and responses to questions regarding the RFP. Contact information, as well as any technical and administrative questions regarding this RFP shall be submitted in writing to jduffy@njsea.com at or before 2:00 P.M. on **January 29, 2019**. The written responses to all questions will be circulated among all registered Respondents and posted on the NJSEA website on **February 1, 2019**.

The Scope of Work under this Contract consists of the Electrical Supplier providing a fully functional Generator Automatic Transfer Switchgear to replace the 2.4kV line-up as shown on the attached record drawing E1 & E2 as '2.4kV Generator Control & Automatic Transfer Section' and the new schematic drawings E-1.00 & E-1.01 as 'Generator Automatic Transfer Switchgear'. The Supplier shall provide technical packages and quotations for the switchgear equipment with details for review. The Supplier shall be authorized service providers with complete parts and service to assure minimum equipment downtime and best service response to the owner, available on a 24-hour emergency basis with 50 miles of the project site.

The RFP Documents contain specific requirements for submission of a proposal. The attention of all Respondents is particularly called to the State requirements regarding equal employment opportunity, affirmative action, New Jersey business registration, public works contractor registration, and prevailing wages. For more information see the instructions section of the RFP. If awarded a contract, your company/firm shall be required to comply with the requirements of **N.J.S.A. 10:5-31 et seq. and N.J.A.C. 17:27**. The NJSEA reserves the right to reject any or all Proposals and to waive minor Proposals defects.

John Duffy, Sr. VP of Sports Complex Operations and Facilities
New Jersey Sports and Exposition Authority
