

Public Notice

October 5th 2024

We, The United States of America, have declared FEMA Personnel engaged in obstructing local rescue efforts in the area impacted by Hurricane Helene to be "Enemies of the State". This has specific meaning in law and makes **obstruction** and **failure to assist a capital crime**.

All public employees and subcontractors of government at all levels are required to render all assistance possible.

If the FEMA Personnel offer any further obstruction or fail to immediately assist to the best of their ability, they can be arrested or shot or hung on sight.

Fully inform them and the Local Sheriffs. Post this Notice. Give it to any and all politicians and local officials.

Greetings,

We are The North Carolina Assembly, a group of volunteers dedicated to reconstructing our unincorporated, organic Land and Soil Jurisdiction government. We invite you to review the attached Notice and meet with us to collaborate for the benefit of all North Carolinians.

Considering Hurricane Helene's devastating destruction and carnage on North Carolina and other Southeastern states along with the subsequent criminal interference with rescue operations by FEMA; we invoked the organic Land and Soil Jurisdiction last year. The Fiduciary of the United States of America Unincorporated encouraged all American State Assemblies, American State Nationals and American State Citizens to inform local sheriffs of their responsibilities, and authorities as outlined in the attached Notice.

Our assembly includes former law enforcement members who once believed in protecting the Republic. We are self-governing individuals committed to upholding peace and the public law, treating fellow men and women as we wish to be treated ourselves. Each of us have rebutted in written form any corporate presumptions of who we are and corrected our political status to reconstruct our lawful, birthright, "self-governing," republican form of government, won during the Revolutionary war and confirmed via the Unanimous Declaration of Independence.

We understand that the distinctions between various jurisdictions of L-A-W: (Land, Air and Water) were never taught to you. You were never taught the difference between The United

States of America unincorporated - versus T.U.S.A. (the United States of America Inc.); U.S.A. (UNITED STATES OF AMERICA); and the U.S. (the United States Inc.); "UNITED STATES"; et cetera.

You were only taught about the Legal Society, "the Rule of Law" and the branches of government consisting of; the Legislative, Executive, and Judicial with some UCC thrown in. No one has explained about the structure of The American Government; created by the agreement known as: "The Unanimous Declaration of Independence of the united States of America": 04th of July 1776.

However, it is evident that current governmental service providers are failing to uphold their duties to uphold the Bill of Rights and Constitutions and are putting their self-interest ahead of your safety, your family, and the peaceful North Carolinians you have a duty to protect.

The North Carolina Assembly is here to restore our government for the people by the People which our forefathers bled to build. We aim to reconstruct a functioning land and soil jurisdiction State and County court system, preserve the National Trust, fill vacated public offices, and reclaim our public and private assets. We do this peacefully and without rancor in the exercise of our unincorporated powers and capacities as the only purpose of government is to protect the people and their assets.

Given the events taking place on America today you can plainly see that your current bankrupt federal government service corporations are failing in this regard.

We are your rightful employers. We share the common goal of keeping the peace, upholding the Public Law, protecting our families, North Carolinians, as well as all U.S. Citizens; and it is your duty to do so as our Federal subcontractor.

To learn more about our Assembly go to <https://tasa-thenorthcarolinaassembly.com/>

We would like to extend an invitation for you to meet with members of our Assembly so we can answer any questions and to discuss how we can work together for the benefit of all men and women on North Carolina.

International Business & General Assembly Speaker

Testimony in the Form of an Affidavit

Notice to Agents is Notice to Principles, Notice to Principles is Notice to Agents.

1. It has come to our attention that although you have been elected in what appear to be public elections, that is not the case. You have been elected in private corporation elections related to an incorporated "County" franchise of a federal corporation ---and we have all been presumed to be shareholders voting you a proxy to act in our behalf, which is quite a different matter than a public office in our government, and which results in you serving as a private Law Enforcement Officer, contrary to our intention, which is that you serve as an elected Public Peacekeeping Official.

2. Our government is not bankrupt and is not set aside. Whatever private "gift" shareholder status the corporate County franchise has bestowed on us enabling us to vote in their private elections has been undisclosed and any presumptions related to it have also been undisclosed. We accept all gifts and waive all benefits, and we give Notice that we are not voluntary shareholders nor voluntary participants in any of this sleight-of-hand attempting to unlawfully convert our Public Offices into Private Security Jobs.

3. This situation also gives rise to potential conflicts of interest. We have been unjustifiably "presumed upon" and misidentified as federal citizens when in fact we are Americans and nothing else. We are owed all the guarantees and protections afforded our States under the provisions of the Federal Constitutions and you may not presume otherwise.

4. As an employee of a foreign corporation merely in the business of providing governmental services the objectives and profit motives of the "County" corporation may be at odds with the Public Good, the will of the people of this county, and even the Public Law and this puts you in a difficult position as the employee of the private corporation acting as middleman and, ultimately, the people of this county.

5. In a seminal US Supreme Court case, *Mack and Prinz v. USA, Inc.* the Court made it clear that you may serve your conscience and may enforce the Public Law including the Constitutions like any other American, but it fell short of mandating that you do so. Upholding the Public Law is therefore left in limbo so far as Law Enforcement Officers are concerned -- subject to your discretion -- and the actual job of upholding the Public Law is left to average Americans.

6. When push comes to shove, and the corporation tells you to violate our Constitutional rights and international law, where do you stand?

7. We are people of the soil and land, owed the Public Law, including The Law of the Land. From the military, we are owed The Law of Peace, AR 27 1-161-1.

8. However, realistically, continued failure of the LEO's and the military to uphold the Public Law and failure to protect our "persons" and respect the Constitutions, may result in unrest and even insurrection; it may also lead to what appears to you to be vigilante action, when in fact it is only Americans doing their duty to uphold the Public Law.

9. If things continue to devolve in this fashion, with LEO's being told by the self-interested middleman corporations to stand down or arrest people under false presumptions, and the people in desperation are left to enforce the Public Law all by themselves, what do you intend to do?

a) Exercise your right to enforce the Constitutions?

Or

b) Violate our rights and guarantees at the behest of the middleman corporation that signs your pay check "for" us?

10. Homes in this county are being confiscated without lawful Due Process, under false Legal Presumptions, and under Color of Law. People are being deliberately misidentified and mis-characterized as franchisees of federal corporations. Trillions of dollars are being siphoned out of this country by foreign corporations every year, and we have discovered exactly how they are doing it.

11. Ironically, though you actually still work for us, too many Sheriffs in this country have forgotten that fact and the local "County" corporations have misdirected them so that they are allowing themselves and their Offices and the Public Trust to be abused. Many LEO's have unwittingly or purposefully become accomplices to massive and coercive constructive commercial fraud against the people of this country.

12. This is your Notice of the facts and also your Notice of Liability should you misidentify us as corporate government franchises, members of any religious cult, members of any Commonwealth, federal employees, or federal dependents. As a private security officer, a LEO, you are 100% commercially liable for any damage done to us under international law. You are also responsible for any trespass upon our private property, any presumption that our private property is public property, and any arrest of our persons under false legal presumptions.

13. Although you may choose whether or not you will enforce the Public Law owed to the people of this country, including the enforcement of our constitutional guarantees, we retain our identity as American State Nationals and American State Citizens. This is your Notice of the Facts. As Americans we are assembling our States of the Union and preparing to hold our Public Elections for the first time in over a century. Those elected in our elections will be American Public Peacekeeping Officials --- the job we thought we hired you to do, and they will be fully empowered and tasked to enforce the Public Law.

14. We expect you to respect the authority of the Public Officials thus elected and to work with them to ensure justice and peace for the people of this country. We invite you to join the discussion and wish you to know that we are peaceful non-combatant civilians, part of the political body of the Federation Compact States of the Union doing business as The United States of America since September 9, 1776. We have not been involved in any war since the close of hostilities in the War of 1812.

15. We are being forced to organize and hold elections in light of continued misbehavior and malfeasance by federal officials and federal corporations and their employees in violation of their obligations to the people of this country. These offenses include impersonating us and practicing barratry against us, hypothecating debt against our assets without our knowing consent, trespass upon our private property, secretive and unlawful conversion of our Public Offices, semantic deceit, constructive fraud, infringement of our Unregistered Trademarks, and deliberate mischaracterization of our persons as Federal Citizens.

16. We have no obligation to act as Federal Citizens and have chosen not to accept any such obligations. All gift franchises operated in our NAMES have been returned to the Secretary of the Treasury and otherwise expatriated, re-flagged, and properly and permanently domiciled on the land and soil of our State.

17. Any such gift franchises are under our private management and now stand under the Public Law of our State --- not the statutory law of any Territorial State of State or Municipal STATE OF STATE organization. As such, they are outside your jurisdiction as a LEO and not subject to federal presumptions.

18. As we are law-abiding and knowledgeable people this information should not be taken as any kind of threat to you or to your "County" corporation; rather, it is offered as necessary discussion and orientation so that you know what is going on and why.

19. We invite you to faithfully enforce the Public Law and the Constitutions and to use your discretion as a loyal American would; failing that, we invite you to observe the limitations of your private corporate office and post Notice of your liability and the liability of other "County" employees and hereby also issue Mandatory Notice as required by the Foreign Sovereign Immunities Act, to not trespass upon our persons and our private property.

20. Put us on your "Do Not Detain List" and notify the DOD of their obligation to provide the correct credentials or honor the American Passports we already have as our lawful credential.

The points we want to be sure to get across are:

1. It has come to our attention that although you have been elected in what appear to be public elections, that is not the case. You have been elected in private corporation elections related to an incorporated "County" franchise of a federal corporation ---and we have all been presumed to be shareholders voting you a proxy to act in our behalf, which is quite a different matter than a public office in our government, and which results in you serving as a private Law Enforcement Officer, contrary to our intention, which is that you serve as an elected Public Peacekeeping Official.

2. This situation also gives rise to potential conflicts of interest. We have been unjustifiably "presumed upon" and misidentified as federal citizens when in fact we are Americans and nothing else. We are owed all the guarantees and protections afforded our States under the provisions of the Federal Constitutions and you may not presume otherwise.

3. In a seminal US Supreme Court case, Mack and Prinz v. USA, Inc. the Court made it clear that you may serve your conscience and may enforce the Public Law including the Constitutions like any other American, but it fell short of mandating that you do so. Upholding the Public Law is therefore left in limbo so far as Law Enforcement Officers are concerned -- subject to your discretion -- and the actual job of upholding the Public Law is left to average Americans.

4. When push comes to shove, and the corporation tells you to violate our Constitutional rights and international law, where do you stand?

5. We are people of the soil and land, owed the Public Law, including The Law of the Land. From the military, we are owed The Law of Peace, AR 27 1-161-1.

6. This is your Notice of the facts and also your Notice of Liability should you misidentify us as corporate government franchises, members of any religious cult, members of any Commonwealth, federal employees, or federal dependents. As a private security officer, a LEO, you are 100% commercially liable for any damage done to us under international law. You are also responsible for any trespass upon our private property, any presumption that our private property is public property, and any arrest of our persons under false legal presumptions.

7. Put us on your "Do Not Detain List" and notify the DOD of their obligation to provide the correct credentials or honor the American Passports we already have as our lawful credential.

8. In Witness of all the foregoing, we are acting to prevent crime.

Notice to agents is Notice to Principles, Notice to Principles is Notice to Agents.

So that justice may be served, and fact be honored, we affirm the foregoing account to be true and complete and not misleading, honorable and peacefully intended; and so, we have placed our hand seals and autograph upon this paper for purpose of Witness only.

**Public Notice to Law Enforcement, Sheriffs,
Elected Officials and Bar Association Members
April 5, 2015**

Take Notice:

The Roman Curia created the concept of legal fictions-- trusts, foundations, and other corporations for good reasons-- however, legal fictions can be misused. By Maxim of Law, those who create are responsible for their creations.

It follows that the Roman Curia is responsible for the proper functioning of all corporations worldwide.

As of September 1, 2013, Pope Francis declared all corporations and corporate officers fully liable for their errors and omissions.

This means you.

Also, by Maxim of Law, there is no statute of limitation on fraud.

Privately owned governmental services corporations have been fraudulently passing themselves off as the "government of the United States" since 1862.

The longevity of this fraud in no way imbues it with authority.

As an employee of these corporations, you have no public office and no public bond and no foreign state immunity.

Federal Law Enforcement Personnel--- except U.S. Marshals: Your status is that of a Mall Cop acting outside the Mall.

You have no authority on the land jurisdiction of the Continental United States.

You are acting under color of law when addressing Citizens of the Continental United States "as if" they were Citizens of the Federal United States.

If you threaten any living inhabitant of the Continental United States with a gun, taser, or other weapon, you can be hung as an inland pirate.

If you remove any livestock, you can be hung as a cattle rustler. If you cause any harm, you can be sued without limit.

If you wear any uniform or display any badge or use any name or office designed to deceive or project authority you do not have, you can be arrested for impersonating an officer.

You are acting in a purely private capacity and have only equal Civil Rights that may be withdrawn at any time.

You are also acting under Martial Law and may face extreme punishment for infractions against the civilian populace.

Acts of plunder, mortal violence, and mischaracterization of civilians as combatants are all death penalty offenses.

U.S. Marshals are allowed full egress within the Continental United States so long as they are sworn and acting as officers sworn to uphold the actual Constitution, are not acting deceptively, nor acting outside their international jurisdiction while in pursuit of their duty protecting the U.S. Mail.

Lawyers, Judges, Court Clerks--- When you address birthright Citizens of the Continental United States in the foreign jurisdiction of the Federal United States or that of a Federal State and deliberately confuse living people with corporate franchises merely named after them, you commit personage.

This results in press-ganging land assets into the international jurisdiction of the sea, a crime outlawed worldwide for 200 years. It is a recognized act of inland piracy, and it carries the death penalty.

Mischaracterizing the identity or citizenship status of a birthright Citizen of the Continental United States is also a crime under the Geneva Protocols of 1949, Volume II, Article 3.

It also carries the Death Penalty.

Finally, no member of the Bar Association may sit upon the bench of any public court nor occupy any public office of the Continental United States including Congress.

The involvement of any Bar Member automatically voids all proceedings pretending subject matter jurisdiction related to the actual land or its assets---including the people of the Continental United States.

The Titles of Nobility Amendment adopted and ratified prior to the American Civil War has not been repealed.

The Federal United States and the Municipality of Washington, DC all operate under the auspices of the United Nations and are signatories of the Universal Right of Self-Declaration. Anyone claiming to be a Citizen of the Continental United States having a valid Birth Certificate must be treated as such.

Any debts or charges whatsoever related to vessels in commerce operated under his or her name by the Federal United States, any Federal State, the Washington DC Municipality or the UNITED NATIONS must be discharged according to Maxim of Law already cited: you are responsible for what you create.

The Federal United States and its Federal States have created numerous vessels in commerce merely named after living Citizens of the Continental United States and styled in the form: John Quincy Adams.

The Washington DC Municipality has similarly indulged in this practice and created franchises for itself named after living Citizens of the Continental United States styled in the form: JOHN QUINCY ADAMS.

Most recently the UNITED NATIONS has created public utilities and is operating them under names styled as: JOHN Q. ADAMS.

The organizations that have created these franchises are completely, 100% liable for their debts and obligations without exception and without recourse to claim upon the living people these franchises are named after.

You may not presume that the living people have consensually agreed to be subjected to statutory law. You may not presume that they consensually agreed to be obligated for the debts of any legal fiction personas which have been created and named after them by Third Parties secretively operating in a private capacity and merely claiming to represent the victims of this fraud.

This is your Due Notice that the living people inhabiting the Continental United States are presenting themselves and may not be addressed as if they belong to, are responsible for, or indebted on behalf of any legal fiction personas operated under their given names by any international corporation.

Any continuance of any such claims and repugnant practices will be deemed immediate cause to liquidate the American Bar Association as a criminal syndicate and to deport its members from our shores.

International action is underway to secure the assets and credit owed to the victims. Please read, research, and do your own due diligence. You are fully responsible for obeying the Public Law of the Continental United States including Revised Statute 2165 and The Constitution.

Please respect the established jurisdictions of air, land, and sea--- and be aware that you may be arrested and fined or worse for failure to do so.

Issued this fifth day of April 2015, Judge Anna Maria Riezinger, Alaska State Superior Court.

From Anna's Article: *Your Right to Travel Freely - State V Marple*, she writes:

In the pure Maxims of Laws of Commerce, the eternal and unchanging principles are;

1-A WORKMAN IS WORTHY OF HIS HIRE. Exodus 20:15; Lev. 19:13; Mat. 10:10; Luke 10⁷; II Tim. 2:6. Legal maxim: "It is against equity for freemen not to have the free disposal of their own property."

2.-ALL ARE EQUAL UNDER THE LAW. "Equality before the law" Exodus 21:23-25; Lev. 24: 17-21; Deut. 1:17, 19:21; Mat. 22:36-40; Luke 10:17; Col. 3:25. "No one is above The Law".

3- IN COMMERCE TRUTH IS SOVEREIGN. (Exodus 20:16; Ps. 117:2; John 8:32; II Cor. 13:8). Truth Rules, Your Word is your Bond.

4- TRUTH IS EXPRESSED BY FORM OF AN AFFIDAVIT. (Lev. 5:4- 5; Lev. 6:3-5; Lev. 19:11-13; Num. 30:2; Mat. 5:33; James 5: 12)

5- AN UNREBUTTED AFFIDAVIT STANDS AS TRUTH IN COMMERCE. (12 Pet. 1:25; Heb. 6:13-15;) Affidavit is the highest form of truth. Legal Maxim: "He who does not deny, admits."

6- AN UNREBUTTED AFFIDAVIT BECOMES THE JUDGMENT IN COMMERCE. (Heb. 6:16 17 ;). Nihil Dicit

7- IN COMMERCE FOR ANY MATTER TO BE RESOLVED MUST BE EXPRESSED. (Heb. 4:16; Phil. 4:6; Eph. 6:19-21). Legal Maxim: "He who fails to assert his rights has none.)

8- HE WHO LEAVES THE BATTLEFIELD FIRST LOSES BY DEFAULT. Mat. 10:22; Legal Maxim: "He who does not repel a wrong when he can, occasions it".

9- SACRIFICE IS THE MEASURE OF CREDIBILITY (NO WILLINGNESS TO SACRIFICE = NO LIABILITY, RESPONSIBILITY, AUTHORITY OR MEASURE OF CONVICTION). (Acts 7, life/death of Stephen), Legal Maxim: "He who bears the burden ought also to derive the benefit".

10- SATISFACTION OF A LIEN (Gen. 2-3; Mat. 4;.). In commerce a lien or claim can be satisfied by rebutting the affidavit, with a counter affidavit, point by point. It is stipulated that In case of non-resolution, doctrine of estoppel will automatically prevail. If non-payment is encountered, the Sheriff will convene a common law jury, based on the Seventh Amendment, concerning a dispute involving a claim of more than \$20.00. The only other way to satisfy a lien is to pay it.

NOTICE OF LIABILITY

To All Law Enforcement Officers, Supervisors, and Commanders A Reminder of Your Oath of Office as a Public Servant (5 USC §3331)

- 1) I hereby invoke and refuse to waive all rights afforded me by the United States Constitution and the Constitution of any State or territory in which any incident of law enforcement against me may occur.
- 2) I hereby invoke and refuse to waive my 5th Amendment right to remain silent and not be a witness against myself by speech or by action.
- 3) I hereby invoke and refuse to waive my 6th Amendment right to have assistance of counsel. Do not ask me questions without my attorney present.
- 4) I hereby invoke and refuse to waive my 4th amendment right to be free of unwarranted (non-court-ordered) search and seizure. Your personal suspicions are not legal grounds for search, seizure or arrest unless supported by a court order or tangible evidence of an imminent and known crime (misdemeanor or felony) of which I am a likely perpetrator ("Probable Cause").
- 5) I hereby deny consent for my detention, and I hereby request to be immediately released from custody, arrest, and detention, free to continue my private travels and business as is my right.
- 6) Any failure or refusal by you or your associates to affirmatively, actively and expressly honor any of the above reservations of rights may be criminal violations and/or may cause unjust damage to me and my interests in which case, by your commission of unauthorized actions, you will and do agree to major personal debt and obligation to me for both remedy of, and penalty for, your violations and misconduct and you agree to pay all monetary claims on demand.
- 7) If you do not release me immediately upon reading this notice I will presume you to be under the impression that you have authority and jurisdiction for my arrest for a crime (infractions are not crimes and consent must be obtained from the accused for any detention for an alleged infraction). If it should be shown at any time that you do not have full authority, cause, and jurisdiction for my arrest you will be subject to civil and criminal penalty and obligated to major remedy to me. You agree to those terms by committing any unlawful or unauthorized force, command, detention, or arrest against me.
- 8) If you fail to release me upon presentation of this notice you will be required at a time in the future to show cause for any non-consensual detention (arrest). Your failure to show cause and jurisdiction upon demand will cause major debt and obligation of you to me for all damages, losses, harm, injuries and violations of rights, in addition to possible civil and criminal actions, allegations and reports against you personally.
- 9) Under arrest and threat of violence by you and your armed law enforcement associates I will, under protest, be compliant and not resist any command you may issue unless I find it necessary to act in defense of my health and safety or the health and safety of others present as is allowed by law. I am competent to determine when acts of self-defense are, and are not, necessary and justified. Unless you unjustly and/or unlawfully assault or commit battery upon me I pose no threat or danger to you or your associates.
- 10) I have no intention to interfere with any law enforcement activity or objective, and I have no intention to become "belligerent" or "agitated" or to cause any difficulty or hindrance to your authorized and legally compliant law enforcement activity. I will not be "provoked" unless you are provoking me with hostile threats and actions. I am not in protest or opposition against your office, your profession or any of your lawful actions. I am in protest only of your violations of my rights, if there are any, and of your misconduct, if there is any.
- 11) Since I have and do rightfully deny consent for detention (above), by law you must now either release me or place me under arrest with cause, jurisdiction, and proper process. In law, there is no such thing as "forced detention". Detention is voluntary; arrest is forced. **I request that you, at this time, clearly state under the above invocations of rights, one of the following as you are required by law: Am I "free to go" or am I "under arrest". If you seek my lawful detention, you must now declare my arrest and show cause and jurisdiction.**
- 12) If I am under arrest I refer you to the invocations of rights above. My cooperation and compliance may not, in any way, be interpreted as waiver of any rights at any time. My actions, while under threat of force and violence by law enforcement are under duress and, to avoid the violent potential of your armed presence I will comply with your directives and sustain limited personal disruption in the process to hold you accountable later. In any question of my compliance and cooperation, refer to the declarations and invocations above.
- 13) Notice to principals is notice to agents and notice to agents is notice to principals. 671.207; 209 fs., UCC 1-308; 1-202

International Public Notice: Change of Government Underway

By Anna Von Reitz

We thank all those who have made and are making the change possible.

This includes our brethren in the now-actual American Military which has been lawfully converted into a true military force instead of a mercenary force for the first time since 1860.

Our Federation of States has ingress and egress treaties in place among the several sovereign States of the Union which specifically allows American Military Forces to engage enemies both foreign and domestic within the borders of the physical States.

We have declared Federal Agency Personnel, including but not limited to FEMA Personnel, who have been obstructing local and State-based search and rescue and relief efforts in the area impacted by Hurricane Helene to be Enemies of the State.

This makes it a capital crime to obstruct these local civilian efforts and also makes it a capital crime to fail to assist.

All Federal and State Franchise Employees and Subcontractors are hereby additionally placed on Notice of these facts. It's not good enough to stand down and back off. They have to assist with all resources available to them.

All public employees at all levels and stations must actively and in good faith assist rescue efforts to the best of their ability or they can be arrested, shot, or hung as the situation demands.

There will be no trials.

Every reasonable effort will be made to inform Federal and Agency Personnel, but any public employee who fails to stand down, anyone who fails to immediately assist, will be treated as a criminal engaged in genocide.

Our Government of, for, and by the people of this country has always been here and still is and we pray always will be. It doesn't matter if you haven't heard from us in a hundred years. We are still here. We are resuming our rightful place.

Any hostile action by any foreign Principal or Organization resisting our natural rights and guarantees, will identify that Principal or Organization as an accomplice to genocide.
