About RPR® and this Report

- This report is compiled by RPR® with MLS data. RPR® is a wholly owned subsidiary of the NATIONAL ASSOCIATION OF REALTORS®.
- Metrics in this report were calculated using data from single family, condominium, townhouse and apartment listings. The 'Listings' metric includes active and pending listings.
- RPR's metrics may show the same general trends as those published by other sources (i.e. MLS, Association or others), but because of RPR's processes and parcel-centric approach, some variation may occur.
- This report contains the latest reliable data as of when it was run.
