Food & Drink Offerings

DINING

As a dining destination in Columbus, the hotel offers many food & beverage concepts, including:

FYR Short North

FIRST LEVEL, TOWER 402

FYR is our signature live fire restaurant led by Executive Chef Sebastian La Rocca. Recently earning a spot on USA Today's 'Restaurants of the Year 2024' list, FYR represents the metaphorical hearth of downtown Columbus with the centerpiece of the kitchen being a wood-fired grill. The use of fire & smoke is incorporated into most dishes to bring the historical ritual of cooking over an open flame tableside.

Spark

LOBBY LEVEL, TOWER 402

Meet Spark, our elevated lounge, featuring Latin-inspired small plates, local brews and modern twists on your favorite cocktails. Does this "spark" your interest?

Stories on High

28TH STORY, TOWER 402

Columbus' tallest rooftop bar provides contemporary interpretations of cocktails and small plates, all while enjoying sweeping views of the city.

Gallerie Bar & Bistro

2ND LEVEL, TOWER 401

Gallerie Bistro (located in the atrium area) offers a full breakfast daily, including classic American and seasonal dishes. The Gallerie Bar area offers classic midwest fare in a comfortable and relaxed setting, complete with TVs to root on your favorite sports team.

Continuing Education (CE) Frequently Asked Questions:

How will you know I attended the CE session?

Convention registrants will receive an attendee badge with a unique barcode, which they will use to scan in and out of each CE session (the code is also available on the app). Staff and volunteers will be located at the entrance of each CE session room to scan attendees in and out. For each CE course you attend, it will be your responsibility to scan in and scan out for the session.

Will there be breaks during the CE session?

There will be no breaks during the sessions. If an attendee needs to leave a session for any reason they will need to scan out of the session and back in when they return. Whether they leave for a restroom break or to make a phone call, the monitor will need to record the time missed from that session. According to Ohio Administrative Rule 1301:5-7-04(A), you must be present for at least ninety percent of the course to receive CE credit. For a 3-hour session, this means you may not miss more than 18 minutes, for a 2-hour session, you may not miss more than 12 minutes, and for a 1-hour session, you may not miss more than 6 minutes.

Will there be handouts available at the CE session?

Electronic access to handouts has been provided to attendees via the Ohio REALTORS® App. In line with sustainable policies, printed handout materials will not be available at the convention.

When and how will I receive my CE certificate?

The Ohio REALTORS® processes and sends out thousands of continuing education certificates upon the conclusion of its Conventions. All certificates will be emailed within 30 days of the course offering. However, if a registrant needs their certificate earlier, please contact Deanna Wright, Professional Development Coordinator. Direct: 614-225-6229 or wright@ohiorealtors.org.
