Wallace must serve 85% (51 years) of his sentence without parole pursuant to the No Early Release Act (NERA). Wallace received a concurrent 10 year New Jersey State Prison with a 5 year period of parole ineligibility for Possession of a Weapon (firearm) by a Convicted Person. Wallace's convictions for Possession of a Weapon (firearm) for an Unlawful Purpose and Unlawful Possession of a Weapon (firearm) merged into his murder sentence.

Darryl Wallace was found guilty on October 8 and October 9, 2024 by a Cumberland County Jury of the following offenses:

The charges arose on June 24, 2021 at the Carlton House Apartment Complex in Millville.
