

MINUTES OF THE SEARK AMATEUR RADIO CLUB

The SEAARC met at Oakland Park on 4/25/54. Minutes of the previous meeting were read and approved.

After considerable discussion, the club president instructed the "committee appointed to secure a permanent meeting place" to see Doctor Agerton about using a cabin at Oakland Park for a permanent place for the club to meet.

Discussion concerning a training program for prospective "hams" was held and it was decided to secure equipment for this purpose.

Loy Westbrook was a visitor from Camden and gave us the benefit of his experience in operating the Camden Ham Club.

The meeting adjourned after which the members inspected the cabins at the park in an effort to determine which of the cabins was best suited for the purpose of a permanent meeting place.

Respectfully submitted,

Arthur L. Ideker
