The Presbyterian Ruling Elder: An Essential Guide
Lytch, Stephens G., Editor

"Empowered and guided by the Holy Spirit through Scripture, our confessions, and conscience the Presbytery of Lake Erie journeys with congregations, ruling elders and teaching elders as we live, grow, fellowship and witness to the work of God through Jesus Christ in today's changing world. Recognizing that we are called to serve all of God's children, we do this through shared prayer, worship, training, evangelism, and mission to strengthen the dynamic Body of Christ."

*Harsh Winter Weather

The unprecedented winter weather that has struck the presbytery is having a significant impact on roofs, gutters, downspouts and verandas across the region. Church buildings are not exempt from such damage. Our own Elmwood Avenue Presbyterian Church, where the presbytery office is located, has seen its fair share of damage. *Annual Statistics Time

It's that time of year again for Annual Statistics. Eleven of our churches have already entered in their statistical report online. WAY TO GO! Can we reach 100% this year? They are due February 14th. This accessible resource on the Presbyterian ruling elder is especially designed for those considering becoming ruling elders and those who have been elected to this ordered ministry. It explains the meaning of the term "ruling elder"

and the qualifications and duties of this ministry. The book goes on to explore the relationship of ruling elders to other elders, the role of the ruling elder on session and in the presbytery, and the relationships to pastors and to the whole church. Fully revised based on the new Form of Government of the Presbyterian Church (U.S.A.), this book is invaluable for new ruling elders preparing for their role.
