## \*RESOURCE CENTER REVIEW

Unstuck Church, The: Equipping Churches to Experience Sustained Health Morgan, Tony

Acclaimed church leader, blogger, founder and chief strategic officer of The Unstuck Group, Tony Morgan unpacks the lifecycle of a typical church, identifies characteristics of each phase, and provides practical next steps a church can take to move towards sustained health.

“Empowered and guided by the Holy Spirit through Scripture, our confessions, and conscience the Presbytery of Lake Erie journeys with congregations, ruling elders and teaching elders as we live, grow, fellowship and witness to the work of God through Jesus Christ in today’s changing world. Recognizing that we are called to serve all of God’s children, we do this through shared prayer, worship, training, evangelism, and mission to strengthen the dynamic Body of Christ.”

### \*Prayer Concerns

- Please remember Ruth Brown, she is just north of Yendi. While the US Embassy in Ghana has issued a warning, the Chairman of the National Peace Council of Ghana says this "should not create fear and panic".
- Let us take a moment to pray for peace on earth. So many hearts and homes, communities and countries are in need of God's Peace.
- Pray for the continuing conversations around racism and violence that the power of God might be brought to these difficult conversations.

Pray for wisdom to engage radical missional thought in each of our communities. The time to act for the Kingdom of God is NOW!

**\*In Memory:**

- Rev. Charles Harvey McClung, Jr, father of Rev. Charles Harvey McClung III, New Hope Church, died in early December. He was 96. He and his wife had been married for 72 years. A minister member of Philadelphia Presbytery, he had served churches in Pennsylvania and New York. In addition he earned a PhD in Religious Education which led him to teach Christian Education at Beaver College, now Arcadia University. Services to honor the life of Rev. McClung, Jr. were held on December 12 at Rydal Park, Pennsylvania.
- Continue to pray with Rev. Vincent Dagadu, presbytery moderator in the Upper Northern Presbytery, Ghana, and partner with Lake Erie Presbytery in sharing Good News. Vincent's mother died in November, 2018. And on December 20 his father died quite unexpectedly while working in the fields. This has been a double burden of sadness. In Ghana, funeral services are often delayed for weeks or months in order to prepare for the large number of people who attend. The funeral for Vincent's mother has been scheduled for February 2019. Over 800 are expected. Vincent's parent were strong faith leaders in their church and community. And as Vincent shared, "they deeply loved one another".
