Entering the Passion of Jesus: A Beginner's Guide to Holy Week
Levine, Amy-Jill
In Entering the Passion of Jesus: A Beginner's Guide to Holy Week, author, professor, and biblical scholar

"Empowered and guided by the Holy Spirit through Scripture, our confessions, and conscience the Presbytery of Lake Erie journeys with congregations, ruling elders and teaching elders as we live, grow, fellowship and witness to the work of God through Jesus Christ in today's changing world. Recognizing that we are called to serve all of God's children, we do this through shared prayer, worship, training, evangelism, and mission to strengthen the dynamic Body of Christ."

ChosenIMA is currently open Monday – Thursday from 8:00 AM – 4:00 PM and Friday from 8:00 AM to 3:00PM. Whether you would like to volunteer on a weekly or monthly schedule for a 4 or 8 hour shift, or on an as-needed basis, we can use you. What are Phishing Scams and how to protect yourselves from them

Phishing scams send emails, social media posts, text etc. that appear to come from businesses like banks and credit card companies to trick people into sharing their financial and personal information or even downloading a virus. Here are few tips to help identify the scams. Be cautious of all emails and messages sent to you. Make sure you know who is sending you the email/message. Never click on the link unless you are 100% sure who it is from. If you are not sure, reach out to the sender by others means, phone call or text. Don't act impulsively. Always send personal and financial information from your own personal computer on your own personal Wi-Fi. If you receive any scam emails, before deleting forward it to the Federal Trade Commission at spam@uce.gov.
