990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part I, Line 3c:	In addition to its financial assistance program, during 2019 York Hospital offered a 30% discount to self-pay patients and a HELP Financial Assistance Program offered to patients that had no insurance or were underinsured. Reduction of their hospital bills was based on household income and the amount owed.
Part I, Line 7:	<p>York Hospital has several hospital clinical services and hospital-owned physician practices. Per instructions for IRS Form 990, Schedule H, Worksheet 6, organizations may include any applicable physician practice that the Hospital subsidizes (i.e., operates at a loss) in the completing of Schedule H. Therefore, the Hospital has included the following hospital clinical services and hospital-owned physician practices that operate at a loss (i.e., are subsidized by the Hospital) and the associated costs of these practices: a. Endocrinology Practiceb. Adult House Callc. Kittery Family Practice d. Emergency Room (the Hospital has ER facilities located at the main hospital campus and also in Wells)e. Home Health Agencyf. Kennebunk Walk-Ing. OB/GYN Practice h. Wells Walk-Ini. Rheumatology Practicej. Neurology Practicek. Psychiatry Practicel. Urology Practicem. Berwick Walk-Inn. Pulmonary Practiceo. Great Works Family Practicep. Family Medicine in Wellsq. York Family Practicerv. Webhannet Internal Medicine Practices. Pediatric Practicet. York Walk-Inu. Surgical Associatesv. Cardiovascular Practicew. Kittery Walk-Inx. Sanford Walk-Iny. Wells Primary Carez. Center for Older Adultsaa. York Hospital Recovery CenterThe above-listed hospital clinical services and hospital-owned physician practices have a community benefit (i.e. aggregate loss or subsidy from the Hospital) of approximately \$36.99 million. In addition, the community benefit does not take into account bad debts, charity care, or contractual adjustments. Thus, this community benefit of approximately \$36.99 million is a conservative figure that reconciles to the community benefit information reported on IRS Form 990, Schedule H, Part I, Line 7g, Column e. Form 990, Schedule H instructions/guidance contains a template (Worksheet 2) that may be used to determine the overall cost to charge ratio that could be applied throughout Schedule H in order to convert charges to cost. Where applicable, the Hospital has utilized Worksheet 2 for various calculations. The only areas where Worksheet 2 was not utilized for Part 1, Line 7 were the following: a. Schedule H Worksheet 6, Subsidized Health Services (the supporting worksheet for Part I, Line 7g), the Hospital did not utilize Worksheet 2 when calculating the percentage used when determining the profit/loss of each hospital clinical service and hospital-owned physician practice. Instead, when compiling the subsidized hospital clinical services and hospital-owned physician practices listed in 1c above, the Hospital utilized the actual estimated costs on the modified Medicare cost report instead of applying the Worksheet 2 cost to charge percentage. b. Schedule H Worksheet 3, Unreimbursed Medicaid and Other Means Tested Government Programs (the supporting schedule for Part I, Lines 7b and 7c), and Worksheet 6, Medicaid Allowable Costs for Subsidized Health Services, listed in line 1c above (which is part of the line 7g costs). The Hospital did not utilize the Worksheet 2 percentage when calculating the Medicaid allowable cost. Instead, the Hospital utilized the actual Medicaid filed cost report for the allowable costs.</p>

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part I, Line 7, Column (f):	The Bad Debt expense included on Form 990, Part IX, Line 25, Column (A), but subtracted for purposes of calculating the percentage in this column is \$ 9,027,740.
Part II, Community Building Activities:	<p>While the Hospital does not explicitly report cost and revenue reports related to Community Building Activities on its Schedule H, Part II, the Hospital does engage in various activities that improve the community's health and safety. For example, the Hospital offers numerous scholarships and financial assistance programs to staff and students, to lessen the burden of higher education and to increase the total number of train and qualified professional health care providers in the area. The Hospital also offers transportation services within its operating area to help patients get to and from their medical appointments or to deliver prescription medications; without the Hospital's intervention, many of these patients would not be able to access health care services. Additionally, York Hospital collaborates with many local social service agencies to design and deliver year-round programs to meet the basic needs of the Hospital's community, and to promote stronger physical, emotional, spiritual, and financial health. These are just a few of the many ways in which the Hospital is engaging with its community to promote health, safety, and general well-being.</p>

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part III, Line 2:	The Hospital utilized Worksheet 2 from the IRS Schedule H instructions/guidance to determine the ratio of patient care cost to charge (43.33% for fiscal year 2019) and multiplied this ratio by the Hospital's total bad debt expense of \$9,027,740 to determine the Part II, Line 2 bad debt expense of \$3,911,537.
Part III, Line 3:	Patients who qualify for financial assistance have 100% of their liability written off, so no portion of it is included in the Hospital's bad debt expense.

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part III, Line 4:	See Footnote 2 on page 10 of the attached audited financial statements.
Part III, Line 8:	<p>Form 990, Schedule H instructions/guidance contains a template (Worksheet 2) that may be used to determine the overall cost to charge ratio that could be applied throughout Schedule H in order to convert charges to cost. Where applicable, the Hospital has utilized Worksheet 2 for various calculations. The only areas where Worksheet 2 was not utilized for Part III, Line 8 was Schedule H, Worksheet B, Line 2 & 6, Medicare Allowable Costs and Payments Related to Subsidized Health Services. The Hospital utilized the Medicare cost report estimated cost and payment for these services. The Hospital believes that its hospital clinical services, hospital-owned physician practices, emergency room, and home health agency listed above should be considered a community benefit, as community members benefit by having easy access to these services, facilities, and programs which are both offered and subsidized. These facilities and programs are offered and thus subsidized through the Hospital.</p>

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part III, Line 9b:	Accounts with self-pay balances that show no evidence of patient payments or eligibility for financial assistance that have completed a patient dunning cycle (120 days approximately) may be transferred to a collection agency. Any patient account that has applied for any of York Hospital's financial assistance programs and supplied all required documentation will be held in a pending status until a determination is made.
Part VI, Line 2:	<p>York Hospital has focused on four goals identified in its Community Health Needs Assessment: 1. Mental Health2. Substance Use and Misuse3. Healthy Aging4. Return Reference	Explanation
Part I, Line 2:	The scholarship funds are monitored by the Education Committee, which manages the funds in accordance with the donor's wishes. The committee does this by determining what the spending policy is at the beginning of the year by fund category. Some funds are restricted to nursing education, others to non-nursing education. The funds can be used for those who want to attend workshops or seminars or to further their education through a post-secondary accredited school. Funds are also used for orientation programs. Requests for funding must be made through a formal process. Each person requesting funds must prepare an application which must be approved by a director or leader. The form is then submitted to the Education Committee for review and approval. All amounts are also tracked and reviewed in accounting to ensure that the monies are used in accordance with the donor's wishes. Annually, the Director of Development reports fund activity directly to donors that request it.

Return Reference	Explanation
Form 990, Schedule K, Part III, Line 9, IV, Line 7, and Part V:	Although formal, written policies are not in place to ensure that violations are timely identified and corrected, the bonds issuer, Maine Health & Higher Educational Facilities Authority (MHHEFA), monitors Section 148 requirements for York Hospital until funds are spent down enough to ensure none of the Hospital's tax exempt bonds become arbitrage bonds. Bond proceeds are placed in low yield investments and no funds are released to York Hospital until expenses have been incurred and receipts are provided to MHHEFA. Furthermore, the Hospital works closely with MHHEFA to ensure that safeguards are in place to take appropriate and timely remedial action should any violations of federal tax requirements occur.
