## Supplemental Information

Return Reference	Explanation
Part X FIN48 Footnote	<p>EMHS, its hospitals, and certain other affiliates have been determined by the Internal Revenue Service to be tax-exempt charitable organizations as described in Section 501(c)(3) or 501(c)(2) of the Internal Revenue Code (the Code) and, accordingly, are exempt from federal income taxes on related income pursuant to Section 501(a) of the Code. Accordingly, no provision for federal income taxes has been recorded in the accompanying consolidated financial statements for these organizations. Tax-exempt charitable organizations could be required to record an obligation for income taxes as the result of a tax position they have historically taken on various tax exposure items including unrelated business income or tax status. Under guidance issued by the Financial Accounting Standards Board (FASB), assets and liabilities are established for uncertain tax positions taken or positions expected to be taken in income tax returns when such positions are judged to not meet the "more-likely-than-not" threshold, based upon the technical merits of the position. Estimated interest and penalties, if applicable, related to uncertain tax positions are included as a component of income tax expense. The System has evaluated its tax position taken or expected to be taken on income tax returns and concluded the impact to be not material. Certain of the System's affiliates are taxable entities. Deferred taxes related to these entities are based on the difference between the financial statement and tax basis of assets and liabilities using enacted tax rates in effect in the years the differences are expected to reverse. The deferred tax assets and liabilities for these entities are not material.</p>
