### Form 990, Part III, Line 4a:

CAMPUS SUPPORT AND COMMUNITY ACTIVITIES IN THE U S =====StandWithUs has become a household word around the United States for people who want to educate their local communities about Israel, whether it is on campuses or in their communities. In all our offices we have a similar approach. We have materials and speakers available for campuses, high schools, middle schools, churches, synagogues and community events. We regularly host large and small conferences and other forms of educational programs. StandWithUs has been working on college campuses since its inception. (See continuation on Schedule O) This is because students across the country have reached out to the professionals at StandWithUs (from our early beginnings) and asked for help because they feel that Israel is being misrepresented on their campuses far too often. Students have reported hate speech, and anti-Semitic, hateful campaigns being hosted on their campuses through speakers, professors and propagandists who create ill will on campus for Israel and its supporters. Students and community members who want to educate their peers need the tools to do so. StandWithUs provides guidance and will even create unique materials as needed, to make sure that we challenge half-truths, lies and misinformation. StandWithUs has become an important resource for any student who wants to correct the flow of misinformation about Israel within their own campus community. Our annual Emerson Fellowship program enables students to take a leadership role on campuses across the US and Canada. We now have over 80 Emerson Fellows on campuses each year, whom we support to bring pro-Israel educational programs, materials, and initiatives to campus. Through our Emerson Fellows and other StandWithUs student leaders in 2016, we had over 100,000 students at over 800 educational events on over 200 college campuses. We worked in partnership with other excellent organizations to fight the boycott movement against Israel.

**Form 990, Part III, Line 4b:**

ISRAEL OFFICE=====Misinformation about Israel has been promoted to young adults in countries around the world StandWithUs opened an office in Israel in 2005 when we realized that we can educate visitors to Israel Our work has grown significantly, from working to educate visiting students on Birthright busses, to educating visitors to Israel on other programs, to working with Israeli college and high school students Having a full, functioning office in Israel enables us to be a resource for materials, for speakers, programs, conferences, missions to Israel, to social media and videos produced in Israel (See continuation on Schedule O)The resources provided by the Israel office is all for the purpose of disseminating accurate information about Israel to people of all faiths and ages around the world We anticipate that this office and its many educational programs will continue to grow each year due to the high, growing demand for our services StandWithUs has become leaders in the field of social media education, which is managed by members of our team in Israel With over 1.2 million fans on our English Facebook pages, we are able to reach up to 100 million people on a peak week We also have Facebook pages in other languages, including Arabic, which is extremely dynamic and informative to the Arab world The educational videos we create and post on YouTube, Facebook and twitter have achieved millions of views

**Form 990, Part III, Line 4c:**

COMMUNITY SUPPORT, EDUCATIONAL MATERIALS AND ACTIVITIES IN THE U S =====The professionals at StandWithUs have found that the same pernicious anti-Israel propaganda that is being promoted on campuses is also used in communities to achieve the same destructive goals to destroy Israel's reputation and isolate it as a pariah among nations The boycott movement against Israel continues to menace well-meaning communities around the country and indeed, around the world Churches and co-op markets, labor unions and even billboards have become common targets for creating ill will against Israel The same tools that StandWithUs is using on college campuses are also being used within communities (See continuation on Schedule O)StandWithUs has become increasingly engaged within the war for hearts and minds of people of all ages StandWithUs is there to support community members in a variety of ways, from funding events to rally signs, to production of new fact sheets, to responding to anti-Israel billboards, to bringing relevant guest speakers, to hosting mini or large educational conferences, films, and more StandWithUs has become the largest producer and distributor of well documented, colorful and engaging materials for campus and communities about Israel used in colleges, synagogues, high schools and communities Millions of copies of our materials have been distributed each year in multiple languages, and are available in hard copy, on the internet as well as mobile devices

Return Reference	Explanation
Part I, Line 2	<p>Israel Emergency Alliance applies its mission of education in Israel (through the Israel office) and also in Europe (through the England office) by educating large numbers of people about the Middle East conflict. Israel Emergency Alliance provides program support for its Canadian counterpart, StandWithUs Canada. Due to the misinformation that is promoted by anti-Israel propagandists, IEA proactively sends out speakers, brochures, programs, conferences and missions to Israel that meet the overall mission of the Israel Emergency Alliance. We also translate our brochures and other information into other applicable languages like French, Spanish, Hebrew, Arabic, etc. When foundations or individuals make donations for specific programs, all funds are carefully designated for those departments and used only for those purposes. We monitor the use of funds by requiring receipts for every expenditure including detailed explanations that justify the use of funds within the designated area of funding. All expenses are in line with the specific purpose(s) for which the funds were designated, and must conform to the specifications of the donor. Conformity to our policies and all expenditures are reviewed as part of our annual independent audit.</p>

**990 Schedule O, Supplemental Information**

<b>Return Reference</b>	<b>Explanation</b>
Form 990, Part VI, Section B, line 12c	<p>Every employee is required to sign an employee handbook when they are hired. On pages 49 and 50 of the handbook, the conflict of interest policy is described. The policy is monitored through supervisory meetings. We are aware of all activities that are work related and have open lines of communication. If there is any indication that there is an issue with any employee with regard to a potential conflict of interest, management meets with them personally and reiterates the company policy. We make a determination and discuss the potential possibility of conflict with the organization, and advise the employee to either cease or alter the activity or we take action accordingly. To date, we have never had to terminate an employee because of this issue.</p>

**990 Schedule O, Supplemental Information**

<b>Return Reference</b>	<b>Explanation</b>
Form 990, Part VI, Section B, line 15	<p>The CEO and COO are responsible for hiring employees within each category of work. Once a search is complete, if the employee's salary will exceed \$100,000 dollars, the Board of Directors are part of the decision to hire (or not to hire) the candidate. There is always a study done of other 990's to make sure that the compensation is reasonable and comparable to other similar positions in other charitable organizations. IEA is always on the low side of the study for compensation. The CEO and COO are periodically reviewed by the executive members of the Board of Directors, which temporarily becomes the compensation committee.</p> <p>The salaries in other comparable fields are studied (through other 990's) and checked to see if the compensation by the IEA is reasonable when compared to other similar organizations. A full compensation survey is created and studied by the compensation committee. Based on the capacity of the organization, job performance and comparison to other similar charities, the executive committee arrives at a suggested annual remuneration for the two top executives. The CEO and the COO are then advised of the decision reached by the compensation committee.</p>
